

Fall Career Fair
Franklin W. Olin College of Engineering
Wednesday, October 6, 2010
10:30 - 1:00 PM
Campus Center

Join us!

Olin's Fall Career Fair is a great way for organizations to let our students know more about your company or graduate school. You can also use this time to discuss summer internship and post-graduation opportunities with the students.

Registration:

- Save \$50 with Early Bird Registration until **September 1st**.
- Registration for the Fair ends **October 1st**.
- There is a **\$250** registration fee payable by check or credit card if payment is made by September 1st, after that the fee increases to **\$300**. This fee includes up to **4** representatives, a 6' skirted table, **lunch and a copy of our resume book**.
- We encourage you to post one or more job(s) or internship(s) before the fair, which will help market your company's participation and give the students a better sense of the positions for which you are recruiting. Olin is now using NACElink as our jobs & internships database. You may post a job in NACElink, or create a new account at <http://www.olin.edu/pgp>
- If you would like to register for a day of the fair, are unable to attend the fair but would like a resume book, host an information session before the fair, conduct on-campus interviews or if you are a SCOPE Sponsor please contact Suzanne Alcott (suzanne.alcott@olin.edu)

Olin Majors:

- Electrical and Computer Engineering
- Mechanical Engineering
- Engineering with concentrations in:
 - Bioengineering
 - Computing
 - Materials Science
 - Systems

Who Should Attend?

- Engineers
