## ➔ Alumni Spotlight

**Brian Liebson '16** has been traveling the U.S. in the national tour of Rodger and Hammerstein's "Cinderella the Musical," in which he plays The Fox.

Olin's online news channel, The Wire, interviewed **Gui Cavalcanti '09** about his work to make robot competitions the next popular sports league.

**Eli Sheldon '11** launched a Computational Thinking curriculum website to share his favorite lessons and projects with other teachers and schools in an easy-to-implement format.

**Julie Stockton '06** is returning to Boston to help design a brand new school (again!) as the very first faculty member hired by the Woodrow Wilson Academy of Teaching and Learning.

## ➔ Olin News

➔ Provost Manno recently sat down with Dave Goldberg, host of Big Beacon Radio, for a discussion of Olin's approach to engineering education. Listen to the [podcast here](#).

➔ Faculty members Caitrin Lynch and Sara Hendren recently **won an Honorable Mention** for the "New Directions Award" from the General Anthropology Division of the American Anthropological Association for their project [engineeringathome.org](#).
