

SEPTEMBER 2016

➔ READ ONLINE ➔ SUBMIT TO oLINK

➔ Congrats to...

Lindsay Gordon '07, the new President Elect of the **Olin Alumni Council!**

Adam Bry '08, who was named one of **35 Innovators under 35** by MIT's Technology Review.

Olin Gear: New Hoodie & Discount

For the remainder of September, **Olin Gear** will continue to be sold at a discounted rate to alumni (10% off + shipping) with the coupon code "OlinAlumni." Make sure you check out our brand new **lightweight Olin hoodie**.

Thank You from Olin

Thank you again for your philanthropic and volunteer support this past fiscal year. We hope the video below expresses our deep appreciation to each of you who continue to build Olin.

We also invite you to view our **Fiscal Year 2016 Impact Report** to learn more about how your efforts made

➔ Olin News

- ➔ Meet the 83 students who make up the **Class of 2020!** They are 47% female and 53% male (by reported legal sex), and 11% are first-generation college bound. 27% are students of color (U.S. citizens only).
- ➔ Olin **earned high marks in new rankings** again, including the Princeton Review's list of top colleges. U.S. News & World Report ranked us **#3 in the nation** among engineering institutions where a bachelor's or master's is the highest degree, and **#2 in the country** for both mechanical and electrical engineering degree programs.
- ➔ The **Polar Printing Press**, an image-drawing machine created by a team of Olin students, earned an Honorable Mention in the 2016 **Robot Art** competition!
- ➔  Olin has named Alanna M. Boyd as the new Director of Development for the Development, Family & Alumni Relations Office.

➔ Alumni Weekend 2016 Re-cap

More than 130 alumni joined us for Alumni Weekend, September 16 - 18! Alumni caught up with faculty and staff in the Library during a special happy hour, played Bubble

Soccer with students, and chatted over s'mores by the fireside.

Attendees also engaged in a Q&A with President Miller and VP of Financial Affairs & CFO Patty Gallagher as part of a college update, and Rob Martello delivered an entertaining curriculum update.

We celebrated the class of 2011's 5-year reunion and the class of '06's 10-year reunion at the Cambridge Innovation Center. 63% of the '06 class and 37% of the '11 class attended! Experience your favorite moments again through these **photos captured** during the Weekend, and check out the slideshows for the **class of '06** and **class of '11**.

Help us build upon the weekend for next year by sharing your feedback through **this brief survey**, whether you participated in Alumni Weekend or not.

Thank You!

Special thanks to our Alumni Weekend Planning Committee members for helping plan and execute the weekend and to all others for contributing to a successful event!

➔ Networking = Jobs

A recent grad contacted PGP to say his uncle was president of a big-name robotics firm - that company is now a SCOPE sponsor. Another alum came to campus to recruit for his autonomous vehicle company in Pittsburgh, and shared that his Olin intern did a great job this summer! We count on these connections from all parts of the community. If you know someone who'd like to attend **our career fair October 5** or be introduced to our students or grads, have them contact Director of Post-Graduate Planning **Sally Phelps**.

it possible for Olin to take our leadership in the transformation of engineering education to new heights.

Upcoming Events

September 28 - Town Meeting

October 2 - **Women's Open House**

October 5 - Fall Career Fair

October 14 - 16: Family Weekend

Hear from Students

Check out the **OLINSIDER** for the scoop on life at Olin as well as the **PGP BLOG** for students' personal and professional adventures.

Kathryn Hite '18 taught computer science and software development at Make School in San Francisco, CA this summer.
