Leave of Absence Application Instructions and Timeline

Students in good academic standing may request a leave of absence for up to 180 days in any 12-month period.

1. Read the Leave of Absence Policy and the Refund Policy in the Student Handbook.
2. Meet with your adviser to determine a plan of study to finish your degree.
3. Consult the Manager of Financial Aid to see how a leave of absence might impact your financial aid package, including the Olin Tuition Scholarship that every student receives.
4. Complete the reverse side of this form and submit it to the Assistant Dean of Student Affairs no later than the Monday prior to the start of course registration. You will receive email confirmation of the receipt of your form.
5. If approved you will receive a letter informing you of your status change. An email of the letter will also be sent to your parent/guardian.
6. Campus access (use of prox card) is terminated as of the last day of the semester before the leave of absence begins. Email and network access remains intact as long as your leave does not extend beyond the 180-day limit. Please remember to check the settings on your account on **Olin EAS**. For instructions on how to edit or deactivate your account please consult the online [Olin EAS FAQ sheet](http://www.olin.edu/sites/default/files/olin_eas_faq.pdf). (http://www.olin.edu/sites/default/files/olin_eas_faq.pdf)
7. International students should consult the Associate Dean of Student Affairs in the StAR office, located on the third floor of the Campus Center, before completing the application for a LOA. International students are subject to immigration policies as well as college policies and must be aware of how taking a leave impacts their present and future immigration status.

Please consult the Office of Student Affairs and Resources with any questions.
