

Study Away Program

Study Away Program

One of the founding principles of Olin College was that each student should have the opportunity to have a learning experience “away” from the college. This ideal was articulated early in the creation of the college with the expressed objective of having students learn to be citizens of the world.

The Olin Away Program was created to deliver on this principle, and provide students with the opportunity to broaden their perspective and views of the world. Students in their junior year can choose among three types of away experiences: a Direct Exchange Program, a Pre-Approved Program, or a Student-Designed Program. Financial assistance may be available to eligible students. Contact the Financial Aid Office for additional information regarding eligibility and procedures.
