Campus Safety Security Program

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Franklin W. Olin College of Engineering publishes and makes available to any prospective student or employee upon request a copy of the College’s annual security report.

The Student Right to Know and Campus Security Act was signed into law in November 1990. Title II of this act was known as the Crime Awareness and Security Act. It requires institutions participating in the student financial aid program under Title IV of the Higher Education Act of 1965 to disclose information about campus safety policies and procedures and to provide statistics concerning certain crimes that occur on campus. It was amended and renamed the Jeanne Clery Act in October 1998. In March 2013, the Violence Against Women Reauthorization Act of 2013 (VAWA) was signed into law. These changes require institutions to disclose statistics, policies and programs related to dating violence, domestic violence, sexual assault and stalking among other changes. In compliance with the act, the Public Safety Department publishes and distributes this information by October 1st of each year. Due to the challenges institutions face because of the COVID-19 pandemic, the Department of Education extended the distribution deadline to December 31, 2020 for this reporting year.

Olin College’s annual security report includes statistics for the previous three years concerning reported crimes and violations of College policy that occurred on campus, in certain off-campus buildings owned or controlled by Olin College, and on public property within or immediately adjacent to and accessible from campus. The report also includes institutional policies concerning campus security, reporting of crimes, safety notification procedures, crime prevention and educational programs and policies concerning alcohol and drug use, sexual assault, Title IX violations or complaints and other matters. The procedures for preparing the annual disclosure of crime statistics to the college community are obtained from the following sources: the Public Safety Department, Needham Police Department, Massachusetts State Police and all other mandated Olin College Campus Security Authorities. A written request for statistical information is made on an annual basis to all designated Campus Security Authorities. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported.

You can obtain a copy this report by contacting the Public Safety Department at 781.239.5555, accessing the website https://www.olin.edu/offices-services/facilities/public-safety/ or send your request in writing to:

Campus Security Authorities (CSAs)

CSAs include any member of the Olin College Public Safety Department, any individual who has responsibility for security, but who is not a member of the Public Safety Department, any individual identified by the College as someone to whom a crime should be reported; and any College official who has significant responsibility for student and campus activities. Individuals who fall under this definition may vary among department and area, including but not limited to the following:

- Title IX Coordinator
- Deputy Title IX Coordinator
- Dean of Student Affairs
- Associate Dean of Student Affairs
- Director of Wellness
- Vice President for Administrative Services & Innovation
- Director of Human Resources

All CSAs should encourage any party that reports a safety or security concern to report directly to the Public Safety Department as soon as possible. All CSAs must immediately notify the Public Safety Department of a crime or incident surrounding security.

Public Safety Department

The Public Safety Department provides law enforcement, security, emergency services, medical services, safety escorts, fire safety detection, parking enforcement and crime prevention initiatives for all property owned by the College, 24 hours a day, seven days a week. The Public Safety Department continues to follow best practices and is a fully accredited police department through the Massachusetts Police Accreditation Commission.

The department is dedicated to creating an inclusive environment in which students, staff, faculty, and visitors feel they are treated fairly and with respect. The department focuses efforts on a team building approach with community members and groups to focus on resiliency, overall wellness, and safety of the community. Annually, the department recognizes numerous strategic goals for the department and the College including:

- Further development and implementation of the Olin College Emergency Preparedness Plan with a focus on training and exercise.
- Assessing the utilization and integration of technology and safety throughout campus.
- Focusing on the professional development and training programs of all department staff members.

Upon completion of the Police Academy or other recognized equivalencies, police officers have full law enforcement powers on College property as special state police officers under Massachusetts General Law Chapter 22c, section 63. As stated in M.G.L. c. 22C, s. 63, police officers have jurisdiction “in or upon lands or structures owned, used, or occupied by...Babson and Olin College.” The main campus of Olin College is located in Needham, Massachusetts. Officers are expected to learn the specific boundaries of all College sites to which they may be sent, and they are to be completely familiar with the boundaries of the main campus. Each employee must also complete at least 40 hours of additional
classroom and practical training a year, and must demonstrate safety and proficiency with issued equipment, such as firearms, in compliance with the state requirement. In addition, all employees are frequently assigned to specialized training programs to enhance their professional development. If you have a complaint about the service provided by the Public Safety Department, please contact the Shift Supervisor or the Office of the Chief of Police at 781.239.5555.

The Public Safety Department maintains a close working relationship with the surrounding jurisdictions including Needham and Wellesley Police Departments, including regular meetings and training initiatives. Through coordination with local law enforcement agencies, any reported criminal activity engaged in by students at off campus locations is monitored and reported to the Office of Student Affairs and Resources. The department has radio communications interoperability through the Boston Area Police Emergency Radio Network (BAPERN) Areawide 3 and has access to law enforcement databases as a member of the Massachusetts Department of Criminal Justice Information Services.

A Memorandum of Understanding agreement exists between the Towns of Needham and Wellesley Police Departments and the Public Safety Department outlining the reporting and investigative responsibilities for each department. The allocation of responsibilities is reviewed periodically, and administrators of the Public Safety Department meet regularly with both the Needham and Wellesley Police Departments. The Public Safety Department also maintains a working relationship with other law enforcement agencies, including, but not limited to, the Massachusetts State Police, the Norfolk County District Attorney’s Office, the Needham and Wellesley Fire Departments, and the Massachusetts State Fire Marshal’s Office.

Responsibility to Report Criminal or Suspicious Activity

Community Responsibility for Reporting All Criminal or Suspicious Activity
Olin College strives to provide a safe workplace for its students, employees and visitors. It is the responsibility of all Olin College community members to notify Public Safety of any criminal or suspicious activity that they have witnessed, received, or have been told that another person has witnessed or received. All complaints will be fully investigated. Olin College will respond promptly and appropriately to all reported incidents.

Threats and Violence to Community Members
Threats or violent behavior of any kind expressed to a community member or visitor whether on campus or off campus will not be tolerated. Any individual who makes substantial threats, exhibits threatening behavior, or engages in violent acts will be removed from the premises as quickly as safety permits and will remain off the property pending the outcome of an investigation.

Reporting Workplace Threats and Violence
It is the responsibility of all Olin College personnel to notify the Public Safety Department of any threats that they have witnessed, received, or have been told that another person has witnessed or received. All complaints will be fully investigated. Olin will promptly respond to any incident or suggestion of violence. Violations of the policy can lead to disciplinary actions up to and including dismissal and criminal prosecution.
Reporting Criminal or Suspicious Activity

The Public Safety Department is charged with providing law enforcement and other emergency services to the Olin and Babson College communities. All complaints will be investigated and any violations of law or College policy can result in the filing of criminal charges and/or referral to the appropriate campus area (i.e., Student Affairs and Resources or Human Resources). When a victim of a crime elects to or is unable (physically/mentally) to make such a report, the department will make all attempts to document the investigation. In certain cases, such investigations are carried out in conjunction with local, state, or federal law enforcement agencies.

Reporting Incidents to the Police

The College community can contact Public Safety using the on campus extension 5555, or, if calling from a cell phone or off campus location at 781.239.5555. Community members may discuss concerns and issues of safety and security directly with the Public Safety staff at the Olin College satellite Public Safety office located in East Hall or at the Public Safety main office on Sullivan Way on the Babson College campus.

Reporting Incidents to other College Officials

Students may report incidents to Student Affairs and Resources, their Resident Resource (R2) within the residence halls, faculty or staff members or fellow students. Employees may report incidents to their respective department heads or Human Resources.

Emergency Telephone System

Emergency telephones are located in designated parking lots, at the front entrances of buildings and in elevators. These telephones allow the community members to contact Public Safety via emergency call buttons and telephone communication (see attached map).

Confidential Caller Telephone Line

The Public Safety Department recognizes the importance of having the Olin community’s assistance in order to effectively perform its duties. In an effort to encourage calls from those members of our community who would not normally contact Public Safety whenever they have complaints, concerns or information, Public Safety has installed a confidential call telephone line. Although we prefer to converse with the reporting party, we acknowledge the fact that some people wish to leave information.

Incident Reporting System

Consistent with Olin’s Core Institutional Value of Institutional Integrity and Community, the College instituted a service called MySafeCampus. This system is an enhancement of, not a replacement for, existing resources and policies/procedures. MySafeCampus enables community members to submit a report via the Web (www.mysafecampus.com) or by calling the toll free number (1.800.716.9007) that is available 24/7. Emergencies should always be reported directly to Public Safety, and not the MySafeCampus system.

The campus issues you may report via MySafeCampus include, but are not limited to, the following: acceptable use violations, campus safety/security concerns, code of ethics violations, compliance/regulation violations, discrimination, embezzlement, fraud, harassment, hazardous campus housing concerns, information security, misuse of authority, safety concerns, sexual harassment, violation of the 1974 Educational Rights & Privacy Act (FERPA), waste, and others.
CAMPUS SECURITY

Emergency Notification System

In the event of an emergency, the College has a comprehensive Emergency Preparedness Plan which includes an on demand Emergency Notification System (RAVE Mobile Safety) and response system from members of the Crisis Response Team. In appropriate circumstances, the department issues Public Safety advisories and emergency notifications by utilizing texts, phone calls and emails throughout the campus to advise members of the campus community of actual or suspected criminal activity and other emergencies.

Campus and Building Security

Under normal circumstances, most campus buildings and facilities, with the exception of residence halls, are accessible to the members of the community as well as guests and visitors during normal business hours, Monday through Friday, and for designated hours on Saturdays and Sundays during the school year (excluding holiday periods). Exterior doors on residence halls are locked 24 hours a day. Academic and administrative buildings are secured at the conclusion of normal scheduled business hours.

Electronic card readers control access to residence halls and access is available to all authorized resident students via their Olin identification card. Guests and visitors who wish to enter residence halls should call their hosts. The residence halls are equipped with alarms, which will detect unauthorized access as well as doors that have been propped open. These alarms are monitored at the Public Safety Department Communications Center, and Police Officers are dispatched to investigate alarm violations reported. The Public Safety Department, Student Affairs and Resources, and Administrative Services and Innovation are involved in making decisions about the maintenance and security of campus facilities and should be contacted with questions regarding these areas.

Campus Identification Cards, Card Access Program and Key Control

All community members are issued picture identification cards. These cards allow community members access to authorized doors located throughout the campus as well as for use at the dining and laundry facilities on campus. Community members may also be issued keys to college buildings and rooms they have been authorized to use.

Security Camera System

A security camera system records video of selected interior and exterior areas of the College for security and operational reasons. The cameras record 24/7, but are not monitored 24/7. They assist the College in monitoring and investigating any public safety issues occurring on campus. Public Safety has the responsibility and authority to coordinate with the Information Technology office (IT) and the Facilities office, as well as other College officials identified herein, in order to effectively select, coordinate, operate, manage, and monitor the College’s security camera system.

Repairs to the Olin Campus

Community members are encouraged to report all security related repairs (e.g., broken locks, doors, lights out, etc.) to Facilities at 781.292.4444 or accessing the website http://workorders.olin.edu. Repairs are made by Facilities personnel and/or certified service vendors in a timely manner. Public Safety should be notified of an immediate safety/security concern at 781.239.5555.
Medical Emergencies and First Aid

Emergency Medical Care
The Public Safety Department members are all trained basic first aid responders and participate in annual training. Before treating anyone for an injury, please contact Public Safety (781) 239-5555. They have direct contact to the Needham Ambulance and area hospital and will coordinate the appropriate transport for the injury.

First Aid Kits
First aid kits are located at the front entrance of each laboratory, project work space, classroom and kitchen area. Each first aid kit is supplied with basic first aid supplies to handle minor injuries.

Automated External Defibrillators (AEDs)
Automated External Defibrillators (AEDs) are located in marked cabinets at the 1st floor elevator banks of each building. An alarm notifies Public Safety any time these cabinets are opened in order to make assistance available to users and prevent vandalism. The Public Safety vehicle is also equipped with a portable unit.

Fire Safety
Olin College is covered by a fire alarm system that provides the residence halls with automated fire prevention systems that are monitored 24/7. All Olin College buildings are equipped with fire pull boxes, alarms, emergency strobe lights, and emergency lighting. Currently there are no plans to upgrade the fire alarm systems throughout campus. Fire and Public Safety personnel can review the status of all alarms at any building panel or the Public Safety Communications Center. An Emergency Annunciation System will notify all occupants of an alarm in the building by voice, sound and visual signal. The emergency notification system can be used by Fire and Public Safety personnel to coordinate emergency evacuations of the building(s) during any emergency. All main campus building fire alarm systems are connected to the College’s emergency generator and will operate life safety systems including all fire safety equipment, sprinkler systems, hallway lighting, exit doors, and lighting in all emergency exit stairwells. All fire and life safety systems are inspected and tested by third party service providers to meet the life safety systems code compliance requirements.

Main Campus Buildings
The main campus buildings are all connected to both the College’s Public Safety Communication Center and the Town of Needham Fire Department. All alarms are immediately transmitted to both communication centers. All buildings are fully sprinklered and have smoke and heat detectors located throughout the buildings.

Residence Halls
All residence halls have approved carbon monoxide detection systems which immediately transmit an alarm to the Public Safety Communications (old report had Operations) Center. Emergency evacuation maps posted in each residence hall room outlining the primary and secondary means of exiting the building during an emergency.
Rules on portable electrical appliances, smoking and open flames in a student housing facility:

For reasons of safety, other than the microwave provided by the college, cooking equipment of any kind is not allowed in individual student rooms. This include hot plates, toaster ovens, hot pots, immersion heaters, fry pans, etc.

The following are prohibited in college residence halls:

- Overloading of electrical outlets;
- Torchiere-style halogen lamps that use tubular halogen bulbs;
- Extension cords (use multiple UL power strips instead);
- Tampering with electrical or lighting fixtures;
- Open and enclosed flames;
- Storage or use of flammable fluids that present a fire hazard;
- Ceiling hangings or furniture that obstruct fire or smoke detectors or sprinklers;
- Items attached to or hanging from windows;
- Decorations that present a fire hazard;
- Refrigerators not provided by the college and other major kitchen appliances;
- Water beds, hot tubs and Jacuzzis;
- Installation of outside antennae or other exterior devices;
- Smoking;
- The use or storage of power tools (e.g., 3D printers, soldering irons, electric saws, sanders, drills, routers, etc.) or motorized vehicles.

Great Plain Avenue Buildings
The Great Plain Avenue buildings (Tesla House, Edison House, Curie House, DaVinci House and 36 Curtis Rd) are not connected to the College’s Public Safety Communication Center or the Town of Needham Fire Department. The Great Plain Avenue buildings are not equipped with sprinklers. The buildings are equipped with smoke and carbon monoxide detectors. All alarms sound locally within the building, and the Public Safety Department must be notified and a Public Safety Officer will be dispatched to inspect the property, and if necessary, will notify the Needham Fire Department of a fire emergency.

Testing
All fire and carbon monoxide detection systems, building sprinkler systems, fire extinguishers and fire hydrants are tested as outlined by the designated state and local law as well as college insurance requirements.

Fire Prevention
All students at Olin receive basic fire evacuation training at the beginning of each semester. Fire drills in all residence hall buildings are held at the beginning of each semester in coordination with the Needham Fire Department. All students, staff and faculty receive an email notification regarding the fire egress drills as well as detailed overview of fire safety education. The town fire inspectors make unannounced inspections of the campus throughout the year. The College’s insurance company inspects the campus on at minimum, an annual basis.
In the event that a pulled alarm box or activation of the alarm system is determined to be malicious, disciplinary action may be taken, including revocation of campus housing privileges, suspension, or expulsion from Olin. Violators will be reported to the Wellesley or Needham Fire Departments for possible criminal prosecution.

Olin College upgrades life safety systems during scheduled construction and renovation projects and allocates additional funding as necessary for the installation or upgrade of the existing life safety systems. The college maintains its buildings at or above regulatory requirements.

Campus Emergencies (Timely Warning, Emergency Notification, and Emergency Preparedness)

Timely Warning Policy
The Director/Chief of Police or their designee is responsible for issuing timely warnings in compliance with the Jeanne Clery Act, 20 U.S.C. A timely warning is defined as what is considered by the institution to represent a serious or continuing threat to students and employees. Timely warning notices are usually distributed for the following Uniformed Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) classifications: arson, criminal homicide, and robbery. Cases of aggravated assault and sex offenses are considered on a case-by-case basis, depending on the facts of the case and the information known by campus officials. Accordingly, the Public Safety Department will continuously and diligently work and coordinate with the Needham Police Department and other law enforcement agencies to address exigent public safety concerns. Anyone with information warranting a timely warning should report the circumstances to the Public Safety Department. The decision to issue a timely warning shall be decided on a case-by-case basis in compliance with the Clery Act and will consider all available facts. The timing of the notification shall be based upon whether the crime is considered a serious or continuing threat to students or employees and the possible risk of compromising law enforcement efforts.

Timely Warning Procedure
When determining if a timely warning should be issued, appropriate college officials will communicate promptly to the Public Safety Department to assess the information and establish the most appropriate means of communication while at the same time considering ongoing law enforcement efforts. This may include taking one or more appropriate steps to ensure timely notification: Emergency Notification System (RAVE mobile), issue a broadcast email to the community of the timely warning notice, utilize the college website and social media sources, distribute flyers around campus, post the warning on the computerized electronic screens throughout campus, place a recorded message on the INFO line 781. 239.4636 (HELP). Such warnings may include but are not limited to: description of what occurred, type of crime, date, time, location of the incident and suspect description.

Emergency Notification
The College has a mass emergency notification system (RAVE Mobile Safety) to provide on-demand notification and response. The information that each community member enters into their self-registration page is used to notify community members in the event of a crisis. This information will send out message through numerous methods and the system is tested twice a year (fall and spring semesters). Olin College will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a
CAMPUS SECURITY

notification will, in the professional judgement of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Olin College uses several different methods of notification to alert students, faculty, staff and others in an emergency. These include:

- Text, phone, and email alerts through the emergency alert system (RAVE Mobile Safety)
- Email alerts sent to the Olin.edu email addresses of all students and employees
- Posting information on the Olin Emergency webpage http://www.olin.edu/campus/emergency-preparedness/
- Information will be updated on the Babson INFO line at 781.239.4636.

In case of an emergency, these systems will provide information about the nature of the emergency, what to do and where to get additional details. Emergency updates and further information will be provided by posting to the listed websites, emails to the College community and other methods as needed. It is recommended that persons do not call 911 or Public Safety unless truly an emergency (Police, Fire, Ambulance).

Emergency Response and Evacuation Procedures

Within its educational framework, Olin College has in place plans to provide for appropriate response to all types of emergencies and procedures for evacuation. For further information visit: http://www.olin.edu/campus/emergency-preparedness/

The College has instituted an All Hazards Emergency Operations Plan to provide for the safety students, faculty, staff and visitors in the event of an emergency on campus including evacuation procedures. The All Hazards Emergency Operations Plan establishes policies, procedures and organizational structure for response to emergencies that are of significant magnitude to cause a disruption of all or portions of the College. This plan outlines the response to these critical incidents such as natural and man-made disasters, pandemics, acts of terrorism, civil disturbances, bomb threats, mass arrests, hostage/barricaded person situations and other unusual incidents. It is the objective of Olin College to be consistent with the same incident management system (ICS Incident Command System) that is utilized by our town, county and state emergency response partners. The development of this plan has been consistent and closely linked to regional plans of the Town of Wellesley and Needham and the Massachusetts Emergency Management Agency.

The College has determined threat level classifications as a guide to emergency responses and communication.

Threat level Classifications

LEVEL 1: Administrative Notification/Localized Issue

ACTION: Update community as needed through personal contact, email, website, and postings/handouts.

LEVEL 2: Monitor/Standby

ACTION: Update community as needed through personal contact, email, website, and postings/handouts.
LEVEL 3: Alert

**ACTION:** Alert and update community as needed through emergency notification system (RAVE Mobile Safety), email, Olin/Babson home page and emergency preparedness website, update INFO line directing inquiries.

LEVEL 4: Emergency

A catastrophic emergency event involving the entire campus and surrounding community. Immediate resolution of the disaster, which is usually multi-hazard, is beyond the emergency response capabilities of campus and local resources (e.g., earthquake, major hurricane, or act of terrorism that would require State and Federal assistance).

**ACTION:** Alert and update community as needed through emergency notification system (RAVE Mobile Safety), email, Olin/Babson home page and emergency preparedness website, update INFO line directing inquiries.

The plan’s goal is to preserve life, property, and the continuity of campus operations. The overall objective is to ensure the effective management and coordination of College resources in preparing for and responding to situations requiring minor (e.g., residence hall), moderate (e.g., building or buildings and/or area or areas), or full-scale (entire campus) evacuation.

The Evacuation Plan establishes an organizational structure for evacuation, decision making, general evacuation priorities and guidelines, and specific building evacuation procedures for response to an emergency at the college. The plan describes the roles and operational responsibilities of designated college personnel during an evacuation emergency and the responsibilities of both internal and external departments, including Wellesley and Needham Police and Fire Departments. The college conducts regular drills on campus to include full evacuation of all residence halls through fire alarm testing annually and all administrative buildings bi-annually. All buildings on campus have detailed evacuation procedures posted throughout the building and the community is regularly advised of this information during exercises and drills.

The Evacuation Plan revolves around the concept of All-Hazards planning, is intended as a core college response plan that is generic for any type of evacuation incident or situation, and is used as a foundation for more specific evacuation plans layered on this plan for each building on campus. It is organized around the core operational considerations associated with the management of emergencies as outlined by the Federal Emergency Management Agency (FEMA).

Members of the Crisis Response Team including members at the Executive Level meet regularly throughout the year to discuss procedures and debrief incidents as well as participate in an annual Emergency Preparedness tabletop exercise and other training within the Public Safety Department. The Public Safety Department prepares for and responds to all emergency situations in a safe, effective, and timely manner. Appropriate College personnel and supporting resources are to be used to accomplish the following priorities:

- Protection of students, faculty, staff and visitors
- Assessment of the situation and damages, dispatch of Public Safety personnel and equipment, and maintenance of life safety support
Public Safety and Crime Prevention Information

The Public Safety Department presents various crime prevention programs throughout the year. These education and awareness efforts encourage the reporting of ALL incidents and any suspicious activity to the proper authority. The Public Safety Department is responsible for the enforcement of College rules and regulations and investigating violations of local, state and federal laws. Staff and students can be help prevent crime on campus by keeping doors and windows locked and reporting any suspicious activity to the Public Safety Department immediately. Crime awareness and prevention is a primary objective of the Public Safety Department. To achieve this goal, the department stresses eliminating or minimizing criminal opportunities and encourages members of the campus community to be cognizant of their own safety and the safety of others. Community cooperation and involvement in campus safety is absolutely necessary. Students must assume responsibility for their own personal belongings by taking simple, commonsense precautions.

The Public Safety Department is continually involved in discussion groups and presentations regarding residence hall security during all first year orientation programs as well as community policing initiatives throughout the year. Annual presentations are available that focus on issues such as keeping doors locked, CPR and first aid, Workplace Safety, Managing Crisis in the Community and reporting suspicious persons or activities to the Public Safety Department so crimes can be prevented.

The Public Safety Department makes information and recommendations in the area of crime awareness and crime prevention available to various campus publications through the website, email messages and social media. The Public Safety Department may post information, leaflets, and posters around the College regarding crime prevention issues as well as provides in the lobby and community policing programs. The following is a list of programs and services provided by Public Safety to promote crime prevention and awareness:

**Police and Fire Log**
The Public Safety Department provides a daily crime log that is accessible to the public 24 hours a day which gives students and all community members information on incidents that have occurred on campus. This log is provided to promote community awareness of incidents occurring on campus and to assist in their prevention.

**Website and Social Media**
The Public Safety Department utilizes the website and social media (Facebook) to promote crime prevention initiatives as well as information sharing.

**Crime Prevention Message**
If it is appropriate, a crime prevention message may be included in community newsletters suggesting future preventative measures to avoid the occurrence of further incidences.

**Community Advisory Program**
The Public Safety Department Community Advisory Program sends messages to the campus community through the college computer electronic mail service. The Community Advisory Program may provide information pertaining to a crime prevention initiative and education or a timely notice to the college...
community regarding current information on incidents occurring on campus whenever such incidents are considered by the college to represent a threat to the community and offers crime prevention suggestions.

**New Student and Family Orientation**
During orientation for new students, the Public Safety Department, in conjunction with Student Affairs and Resources, presents programs for students regarding residence hall and community security. As part of these programs, officers visit resident halls to discuss various issues regarding campus safety with students.

**Group Meetings**
Community policing members regularly meet with student groups and organizations to discuss different topics of concerns or safety issues.

**Personal Safety Escort Service**
The Public Safety Department provides a personal safety escort 24/7 upon request. The Public Safety Department will dispatch a police officer or other designated staff member to any location on campus to accompany community members to their destinations on campus. Public Safety staff will make every effort to accommodate your request in a timely manner. There may be times when this service is delayed. Contact the Public Safety Department anytime at 781.239.5555 if you are in need of an escort.

**Basic Self Defense Training Classes**
The Public Safety Department has access to specifically trained instructors certified to teach basic self-defense programs.

**Transportation**
The college also allows students who obtain certified driver training, the use of the Olin College passenger van for college related activities. Limitations are placed on the use, time and destination in order to make the service available to the majority of community members. Please contact Facilities for further information.

The college in conjunction with Wellesley and Babson Colleges runs van service among the three colleges and local transportation hubs in the Greater Boston area. Schedules are determined each academic year pursuant to ridership surveys among the colleges.

**Sex Offender Registration**
In accordance with the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act, and the Family Educational Rights and Privacy Act of 1974, Public Safety is providing a link to the Commonwealth of Massachusetts Executive Office of Public Safety Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the Commonwealth of Massachusetts, convicted sex offenders must register with the Sex Offender and Crimes Against Minors Registry maintained by the Executive Office of Public Safety.
The Sex Offender Registry outlined in Massachusetts General Law 178 establishes guidelines on the type of offender information available to the public. The registration requirements of the Sex Offenders Registration Act are intended to provide the people of this state with an appropriate, comprehensive, and effective means to monitor those persons who may pose such a potential danger to the public. Information is available at the following links:

**Sex Offender Registration Inquiries**
Sex offender information may be obtained upon request at local police departments or through the Sex Offender Registry Board which can be accessed on the Public Safety website:

**Missing Students**
The purpose of this protocol is to establish procedures for the college’s response to reports of missing students. This protocol applies to a student who resides in campus housing and is determined through a third-party report to be a “missing person.” **For purposes of this protocol, a student may be considered to be a missing person if the person’s absence is contrary to his/her usual pattern of behavior and unusual circumstances may have caused the absence.** Such circumstances could include, but not be limited to, a report or suspicion that the missing person may be the victim of foul play, has expressed suicidal thoughts, is drug dependent, is in a life-threatening situation, or has been with persons who may endanger the student’s welfare. This protocol does not impose any obligation upon the College to continuously “check” on the whereabouts of any student.

I. **Summary of Protocol**
In the case of a student determined to be a missing person, the Dean of Student Affairs, the Director of Public Safety/Chief of Police and their respective staffs will work to ensure that appropriate members of the campus community (staff, faculty and students) and parents are notified and services and resources are effectively used. Outside law enforcement assistance will be sought appropriately and College services and resources will be made available to assist in finding the missing person as soon as possible.

II. **Procedures for designation of emergency contact information**

A. **Students age 18 and above, emancipated minors and those who have not identified a contact person**
Students will be given the opportunity during each year to designate an individual or individuals to be contacted by the College no more than 24 hours after the time that the student is determined to be missing in accordance with the procedures set forth below. A designation will remain in effect until changed or revoked by the student. All contact information provided by the student will be registered
confidentially. This information will be accessible only to authorized campus officials and it may not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation.

B. **Students under the age of 18**

In the event a student who is not emancipated is determined to be missing pursuant to the procedures set forth below, the College shall notify a custodial parent or guardian no more than 24 hours after the student is determined to be missing in accordance with the procedures set forth below.

C. **Timeframes for reporting to emergency contacts, parents or spouse**

The above stated time frames shall be accelerated under appropriate circumstances. If foul play is suspected, contact should be made as soon as sufficient information has been confirmed. Such contact shall be made by the Dean of Student Affairs or the Director of Public Safety/Chief of Police. Name and phone numbers should be left with the parents.

III. **Notification procedures for a missing student**

A. A missing person report may be initiated by any member of the campus community or by a third party. For example, it may begin with a roommate notifying a Residence Resource (R2) or with a parent notifying the Office of Student Affairs and Resources.

B. The Public Safety Department and Dean of Student Affairs shall be promptly advised of any such report.

C. The Public Safety Department will gather all essential information about the missing student from the reporting person and from the student’s acquaintances: description, clothes last worn, where the student might be, who the student might be with, vehicle description/license and information about the student’s physical and mental well-being. The Public Safety Department has a detailed Well Being Checklist that Officers shall follow and fill out appropriately throughout the investigation.

D. The following specific information and materials shall be promptly assembled, and contacts made, in response to any such report:

1. Personal information: Student’s full name, ID, mailbox, hall assignment/local address, room, phone number, bell phone number, class, date of birth, country of citizenship and any email addresses (College and secondary)
2. Home address, parents’ names, address, phone numbers and cell phone numbers
3. Recent photograph
4. Class schedule: Last known class attended, faculty name
5. Meal card: Location and time of last known meal eaten
6. ID card: Last known swipe in a residence hall or other building
7. Roommate(s): names, phone numbers, cell phone numbers
8. Resident Resource (R2): Name, phone number, cell phone number
9. Identity of last known person in contact
10. Health Services: Any medical conditions or medication that student needs, any mental health services the student may have sought
11. Area hospital contacted
E. Appropriate campus staff will be notified to aid in the search for the student.
F. Arrangements for the parents to come to campus should be made, if necessary.

IV. Communications about missing students
A. In cases involving a missing student, law enforcement personnel are best situated to provide
   information to the media that is designed to elicit public assistance in the search for a missing person.
   Therefore, all communications regarding a missing student will be handled by the Public Safety
   Department in consultation with the Dean of Student Affairs and by outside law enforcement
   authorities. The College’s Office of Marketing and Communication will render all required assistance.
B. All inquiries to the College regarding missing students, or information provided to any
   individual at the College about a missing student, shall be referred to the Public Safety Department, who
   shall refer such inquiries and information to other law enforcement authorities or Office of Marketing
   and Communication.
C. Prior to providing the College community with any information about a missing student, the
   Public Safety Department and, as appropriate, external law enforcement authorities shall be consulted
   to ensure that communications do not hinder the investigation.
D. Where appropriate, paper flyers, email and the Emergency Notification System (RAVE Mobile
   Safety) may be used to assist in seeking information about a missing student.

V. Follow-up
A. If the student is found quickly with minimum response, all offices that were contacted should be
   notified that the student has been located. After contacting the parents, if they have been contacted,
   the Dean of Student Affairs, as the case may be, should meet with the student and arrange for any
   follow-up actions.
B. If the student is found, but after law enforcement has been notified, the Public Safety
   Department should report that the student has been located. After contacting the parents or spouse
   and various offices on campus, if they have been contacted, the Dean of Student Affairs, as the case may
   be, should meet with the student and arrange for any follow-up actions.
C. If the student is found dead/seriously injured, the appropriate crisis protocols should be
   followed.

VI. Off-campus or commuter students
When an off-campus and/or commuter student is believed to be missing, the Public Safety Department
should immediately notify the appropriate external law enforcement authorities. The Public Safety
Department will assist external authorities with these investigations as requested.

Alcohol and Drugs

Drug-Free Schools and Communities Act (Public Law 101-226)

Students at Olin College must be aware their behavior with respect to alcohol and other drugs is
constrained by two sets of rules: Massachusetts state law and the College’s policies, which reflect the
concern for the health and well-being of its students.
Massachusetts State Law

Alcohol
Massachusetts state law subjects an individual to fines ranging from $300 to $1,000, loss of driver’s license, and/or imprisonment for the following acts:
  - Sale or delivery of alcohol to anyone under 21 years of age
  - Possession, purchase, delivery, or transportation of alcohol by anyone under 21 years of age
  - Misrepresentation or falsification of identification in order to purchase alcohol

No person shall possess or consume an alcoholic beverage as defined by M.G.L. Chapter 138, Section 1, as amended, within the limits of any park, playground, public land or public building owned or under the control of the Town of Needham or Wellesley.

Drugs
The possession, use, or distribution of illegal drugs is prohibited by federal law. There are strict penalties for drug convictions, including mandatory prison terms for many offenses. The following information, although not complete, is an overview of federal penalties for first convictions. All penalties are doubled for any subsequent drug conviction.

Massachusetts has criminal penalties for use of controlled substances, or drugs, with penalties varying with the type of drug. In general, use of narcotic and addictive drugs, and drugs with high potential for abuse, have heavier penalties. Possession of drugs is illegal without valid authorization. While penalties for possession are generally not as great as for manufacture and distribution of drugs, possession of a relatively large quantity may be considered distribution. Under both state and federal laws, penalties for possession, manufacture, and distribution are much greater for second and subsequent convictions. Many laws dictate mandatory prison terms and the full minimum term must be served.

Marijuana
On November 8, 2016, the Commonwealth of Massachusetts enacted a change in law regarding the possession of marijuana. The new law regarding possession outside one’s primary residence is as follows:

Persons 21+ years of age without a Cannabis Control Commission License or DPH Registration:
  - Possession of up to 1 oz of marijuana – Legal.
  - Possession of 1-2 oz – Civil fine of not more than $100.
  - Possession of 2 oz – Criminal penalties available.

Persons 18-20 years of age:
  - Possession of under 2 oz – Civil fine of not more than $100.
  - Possession of over 2 oz – Criminal penalties available.

Persons under 18 years of age (Juvenile) without a Medical Patient ID:
  - Possession of under 2 oz – Civil fine of not more than $100.
  - Possession of over 2 oz – Delinquency penalties available.
College Policy on Alcohol & Drug Use
In addition to maintaining strict compliance with all state and federal laws, the College has established its own drug and alcohol policies. Persons who violate the College’s policy regarding alcohol and drugs, are subject to appropriate disciplinary action, counseling, education, probation, expulsion, and referral to proper law enforcement authorities for prosecution. Under appropriate circumstances, the College may refer violations to the Wellesley or Needham Police Department and the offices of the Norfolk District Attorney, the Middlesex District Attorney, or the United States Attorney, as appropriate, for investigation and/or prosecution. A new law suspends federal student aid eligibility for students convicted under federal or state law of possession or sale of drugs (not including alcohol or tobacco).

Community Resources – Students
Resources are available to assist Olin students in understanding and dealing with drug and alcohol abuse. The National Institute on Drug Abuse provides a confidential information and referral line that directs callers to cocaine abuse treatment centers in the local community. Contract Health Services at Babson in Hollister Hall for free materials on drug use.

Community Resources – Employees
Employees may contact Human Resources for available resources supported by the College, Union Associations and local resource groups.

Policy on Weapons and Fireworks
Olin College strictly prohibits the possession of illegal or dangerous weapons on campus. Such weapons include, but are not limited to, revolvers, pistols, rifles, shotguns, BB por pellet guns, stun guns/taser, paint ball guns, replica guns, chemical weapons such as mace or pepper spray, swords, knives (other than those used for cooking or small pocket knives), slingshots, martial arts weapons, bows and arrows, and others as deemed such by the Dean of Student Affairs or his/her designee. Practicing or performing with martial arts or fencing equipment is permitted by members of recognized student organizations; when not in use, such equipment should be stored securely. Similarly, use of farming equipment is permitted by members of recognized student organizations, but such implements should be stored securely. [Also see Massachusetts General Laws: Chapter 26, Sections 10 and 14]

Possession of fireworks is also prohibited by the College. [Also see Massachusetts General Laws: Chapter 148, Section 39]

Possession or use of firearms, fireworks, ammunition, dangerous chemicals, bombs, and infernal devices on a college campus is also prohibited by Massachusetts state law. Any violation will result in immediate and permanent confiscation of the weapon and can result in immediate referral to the College student conduct process, or the appropriate law enforcement agency (which may result in criminal court action).
Olin College Title IX Policy and Procedure

Olin College is committed to providing a safe learning and working environment for all community members, guests, and visitors. In compliance with federal law, Olin has adopted policies and procedures to prevent and respond to incidents of sexual harassment. This policy has been developed to reaffirm the values of our community and to provide transparency about Olin’s Title IX processes. This policy and resolution procedure is intended to comply with Title IX, 34 CFR Part 106, the Clery Act, and the reauthorized Violence Against Women Act (VAWA), including the Campus SaVE Act.

The Title IX Policy and Procedure applies to all Olin community members, and all members of Olin are responsible for being familiar with and abiding by the Title IX Policy at all times.

Overview of Olin College Title IX Policy

I. Statement of Values

Sexual harassment as defined by this policy violates the values of Olin and will not be tolerated within the College community. Olin rejects and condemns all forms of harassment, discrimination, retaliation and disrespect. Olin is committed to sustaining a welcoming environment for everyone and especially for those vulnerable to discrimination on the basis of race, religion, color, national origin, age, marital or parental status, veteran status, sex, disability, genetic information, sexual orientation, and/or gender identity. It is the policy of Olin to adhere to all applicable state and federal laws prohibiting discrimination. All members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. In addition, all community members are expected to take reasonable and prudent actions to prevent or stop an act of sexual misconduct through safe bystander intervention.

Sexual harassment can be devastating to the person who experiences it directly and can be traumatic to the person’s family, friends, and to the Olin community. Olin is committed to providing an environment of well-being, learning, and accountability for its members by preventing the occurrence of sexual misconduct and addressing its effects.

II. Commitment to Non-Discrimination

Sexual harassment is a form of sex discrimination that deprives a person of equal treatment. It is prohibited by Title IX, a federal law that states: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” Sexual harassment is also prohibited under Title VII of the Civil Rights Act, Massachusetts General Laws Chapter 151B,
Massachusetts Fair Education Practices Act, Massachusetts General Laws 151 C, Section 2(g), and other applicable state and federal statutes.

Olin rejects and condemns all forms of harassment, discrimination, retaliation, and disrespect, and is committed to sustaining a welcoming environment for every individual. It is the policy of Olin to adhere to all applicable state and federal laws prohibiting discrimination. Olin does not discriminate in admission to, access to, treatment in or employment in its programs and activities on the basis of a person’s race, religion, color, national origin, age, marital or parental status, veteran status, sex, disability, genetic information, sexual orientation, gender identity or any other legally protected status.

The following individual has been designated by Olin to respond to general inquiries regarding the College’s non-discrimination policies:

Sharon Woodward, Director of Human Resources
Olin College of Engineering
1000 Olin Way
Needham, MA 02492-1000
781.292.2409
Sharon.Woodward@olin.edu

Olin’s commitment to non-discrimination includes an assertion that the College will not tolerate discrimination or harassment on the basis of sex, gender identity, and/or sexual orientation including, but not limited to sexual violence, dating and domestic violence, stalking, or retaliation in its community. The College follows through on that commitment, in part, through the implementation of a Title IX Policy that defines prohibited conduct and the process by which the College will address such conduct in different circumstances. Olin College’s Title IX Policy is composed of several components:

- Definitions of Prohibited Conduct under Title IX
- The College’s Response to Reports of Violations of Title IX
- Process for Resolving Formal Complaints of Title IX Violations

The Title IX Policy applies to all Olin community members, and all members of the College community are responsible for being familiar with and abiding by the Title IX Policy at all times.

Olin will also provide relevant resources for the community on the Sexual Misconduct and Title IX webpage available on the Olin College website. While separate from the Policy, these additional resources are part of the College’s ongoing efforts to ensure an environment free of discrimination on the basis of sex.

### III. Role of the Title IX Coordinators

The Title IX Coordinator is responsible for coordinating Olin programs to comply with Title IX. This includes leading Olin’s efforts to respond to reports of conduct that could trigger Olin’s Title IX Policy. The Title IX Coordinator is also available to meet with any individual to provide information about the Title IX Policy (including the availability of supportive measures and the right to file a formal complaint, which will trigger the investigation and resolution/sanction process), as well as discussing other resources within the Olin community and beyond.
Where the Title IX Coordinator is listed as the designated point of contact for any role in the Title IX Policy, the College may designate a Deputy Title IX Coordinator(s) or other qualified member of the College community to assume the role, as necessary and appropriate. These individuals would be available to receive a report from any member of the Olin community who believes the Title IX Policy has been violated. They may also be available to assist others, including respondents and witnesses in understanding the College’s Title IX Policy and procedures.

The College’s Title IX Coordinator and Deputy Coordinator are:

**Stephanie Milton**  
Title IX Coordinator  
Director of Diversity, Equity, Inclusion  
smilton@olin.edu  
781.292.2321; Campus Center 319C

**Guilene Prepetit**  
Deputy Title IX Coordinator  
Human Resources Generalist  
Guilene.Prepetit@olin.edu  
781.292.2411; Campus Center 332

### IV. Prohibited Conduct Under Olin’s Title IX Policy

Olin’s commitment to non-discrimination includes an assurance that Olin rejects and condemns all forms of harassment, discrimination, retaliation, and disrespect on the basis of a person’s race, religion, color, national origin, age, marital or parental status, veteran status, sex, disability, genetic information, sexual orientation, gender identity and other legally protected status. Olin follows through on that commitment, in part, though the implementation of its Title IX Policy. These policies and procedures apply to all Olin community members, and all members of the Olin community are responsible for being familiar with and abiding by the Title IX Policy at all times.

#### A. Definitions of Prohibited Conduct Under Olin’s Sexual Misconduct Policy

The College’s Title IX Policy governs incidents of sexual harassment (and any retaliation associated with it) occurring within a College education program or activity against a person in the United States. For the purposes of this policy, “education program or activity” includes locations, events, or circumstances over which the College exercises substantial control over both the respondent and the context in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by the College. The College’s policy applies regardless of a person’s sex, gender, gender identity, gender expression, sexual orientation, age, race, nationality, class status, ability, religion, or other protected status.

If the College determines that a formal complaint of sexual harassment or any other form of sexual misconduct does not meet the definition of sexual harassment under this policy or did not occur in a college education program or activity against a person in the United States, the Title IX Coordinator will dismiss the formal complaint. The college, however, reserves the right to address the dismissed behavior under applicable student, staff or faculty disciplinary policies.

The following are the definitions of conduct that is prohibited under Olin’s Title IX Policy, including attempts to commit and aiding or inciting others to commit these acts. If an individual has any questions about the definition or application of any of these terms, the Title IX Policy in general, or the resources available to all member of the Olin community, please contact the Title IX Coordinator. The contact information for the Title IX Coordinator, as well as other resources who can provide support is located in Section IV and V.
Sexual Harassment:

*Sexual Harassment* means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the College conditioning the provision of an aid, benefit, or service of the College on an individual’s participation in unwelcome sexual conduct;

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the College’s education program or activity; or

**Forms of Sexual Harassment:** In some cases, sexual harassment is obvious and may involve an overt action, a threat, or reprisal. In other instances, sexual harassment is subtle and indirect, with a coercive aspect that is unstated. Some examples include the following:

- Sexual harassment can occur between persons of equal power status (e.g., student to student, employee to employee) or between persons of unequal power status (e.g., employee to student, supervisor to employee). Although sexual harassment often occurs in the context of the misuse of power by the individual with the greater power, a person who appears to have less or equal power in a relationship can also commit sexual harassment.

- Sexual harassment can be committed by (or against) an individual or by (or against) an organization or group.

- Sexual harassment can be committed by an acquaintance, a stranger, or people who shared a personal, intimate, or sexual relationship.

- Sexual harassment can occur by (or against) an individual of any sex, gender identity, gender expression, or sexual orientation.

- It does NOT have to include intent to harm.

*Sexual Assault* means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

**Sex Offenses – Forcible:** Any sexual act directed against another person, forcibly and/or against that persons will; or not forcibly or against the persons will where the victim is incapable of giving consent.

1. **Forcible Rape** - The carnal knowledge of a person, forcibly and/or against that persons will; or not forcibly or against that persons will where the victim is incapable of giving consent because of their temporary or permanent mental or physical incapacity (or because of their youth).

2. **Forcible Sodomy** - Oral or anal sexual intercourse with another person, forcibly and/or against that persons will; or not forcibly against that persons will where the victim is
incapable of giving consent because of their youth or because of their temporary or permanent mental or physical incapacity.

3. **Sexual Assault With An Object** - The use of an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that persons will; or not forcibly against the persons will where the victim is incapable of giving consent because of their youth or because of their temporary or permanent mental or physical incapacity.

4. **Forcible Fondling** - The touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that persons will; or not forcibly or against that persons will where the victim is incapable of giving consent because of their youth or because of their temporary mental incapacity.

**Sex Offenses - Non forcible Unlawful, non-forcible sexual intercourse.**

1. **Incest** - Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

2. **Statutory Rape** - Non-forcible sexual intercourse with a person who is under the statutory age of consent.

**Consent and Sexual Coercion:**
Consent is the affirmative and willing agreement to engage in a specific form of sexual contact with another person who is capable of giving consent. Consent cannot be obtained through: (a) the use of coercion, or (b) by taking advantage of the incapacitation or impairment of another individual, including someone who is underage, unconscious, asleep, incapacitated, or impaired by intoxication or drugs. Consent requires an outward demonstration, through mutually understandable words or actions, indicating that an individual has chosen freely to engage in a sexual contact.

Sexual Coercion is defined for purposes of this section as the application of unreasonable pressure to take part in sexual activity or in any of the prohibited conduct listed in Olin’s Sexual Misconduct Policy. Unreasonable pressure can be exerted through physical or emotional force, intimidation, misuse of authority, or outright threats. When someone makes it clear that they do not want to engage in sexual activity or do not want to go beyond a certain point of sexual interaction, continued pressure beyond that point may be considered coercive. Ignoring or dismissing the objections of another person may also be a form of coercion.

Silence, passivity, or the absence of resistance does not imply consent. Relying solely on non-verbal communication may result in confusion about whether there is effective consent. It is important not to make assumptions. If confusion or ambiguity arises during a sexual interaction, it is essential that each participant stops and verbally clarifies the other’s willingness to continue.

Consent can be withdrawn at any time. When consent is withdrawn, sexual activity must cease. Prior consent does not imply current or future consent; even in the context of an ongoing relationship, consent must be sought and freely given for each instance of sexual contact. An essential element of consent is that it be freely given.
In evaluating whether consent was given, consideration will be given to the totality of the facts and circumstances including, but not limited to, the extent to which an individual affirmatively uses words or actions indicating a willingness to engage in sexual contact, free from intimidation, fear, or coercion; whether a reasonable person in the position of the individual alleged to have committed the conduct would have understood such person’s words and acts as an expression of consent; and whether there are any circumstances, known or reasonably apparent to the individual alleged to have committed the conduct, demonstrating incapacitation or fear.

**Incapacitation** is the inability, temporarily or permanently, to give consent, because the individual is mentally and/or physically helpless due to drug or alcohol consumption, taken either voluntarily or involuntarily, or the individual is unconscious, asleep or otherwise unaware that the sexual activity is occurring. In addition, an individual is incapacitated if they demonstrate that they are unaware of where they are, how they arrived at a location, or why or how they became engaged in a sexual interaction. Where alcohol is involved, incapacitation is a state beyond drunkenness or intoxication.

**Domestic Violence** - felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

**Dating Violence** - violence by a person who has been in a romantic or intimate relationship with the victim. Whether there was such relationship will be gauged by its length, type, and frequency of interaction.

**Stalking** - engaging in a course of conduct (e.g., repeatedly following, harassing, threatening or intimidating another by telephone, mail, electronic communication, social media, or any other action, device or method) directed at a specific person that would cause a reasonable person to (a) fear for their safety or the safety of others; or (b) suffer other emotional distress.

**Retaliation:** No member of the College community or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by this policy, Title IX, or 34 CFR Part 106, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by this policy, Title IX, or 34 CFR Part 106, will also be considered retaliation by the College. Retaliation can be committed by any individual or group of individuals, not just a Respondent or a Complainant. Retaliation may constitute a violation of Olin’s Sexual Misconduct Policy, even when the underlying report made did not result in a finding of responsibility. Retaliation, even in the absence of provable discrimination or harassment in the original complaint or charge, constitutes a serious violation of this policy.
B. State Law Definitions
The following are excerpts compiled from the Massachusetts General Laws that describe how certain relevant behavior is defined in Massachusetts. These definitions are not identical to the definitions of conduct prohibited in Olin’s Sexual Misconduct Policy, but Olin considered these definitions in developing its Policy.

Sexual Assault (Rape, Indecent Assault & Battery): (Compiled from M.G.L. Ch. 265, § 13 & 22)
Sexual assault is defined under Massachusetts law as rape or indecent assault and battery.

Rape is defined as occurring when a person has “sexual intercourse or unnatural sexual intercourse with a person, and compels such person to submit by force and against his will, or compels such person to submit by threat of bodily injury and if either such sexual intercourse or unnatural sexual intercourse results in or is committed with acts resulting in serious bodily injury, or is committed by a joint enterprise…”

Indecent assault and battery occurs when one person touches another person in an “indecent” way. Examples of indecent assault and battery include touching a person’s buttocks, breasts, or genitals without consent. The Commonwealth must prove that the defendant touched the alleged victim without justification or excuse; and that the touching was “indecent;” and that the alleged victim did not consent.

An indecent act is one that is fundamentally offensive to contemporary standards of decency.

Stalking: (Compiled from M.G.L. Ch. 265, § 43)
The act of “willfully and maliciously engaging in a knowing pattern of conduct or series of acts over a period of time directed at a specific person which seriously alarms or annoys that person and would cause a reasonable person to suffer substantial emotional distress and makes a threat with the intent to place the person in imminent fear of death or bodily injury.” Stalking includes, but is not limited to, acts or threats conducted by mail or by use of a telephonic or electronic communication device. Communications include, but are not limited to, electronic mail, internet communications, instant messages or facsimile communications.

Domestic and Dating Violence: (Compiled from M.G.L. Ch. 209A)
“Abuse” is defined as “the occurrence of one or more of the following acts between family or household members:

- Attempting to cause or causing physical harm;
- Placing another in fear of imminent serious physical harm; or
- Causing another to engage involuntarily in sexual relations by force, threat, or duress.”

Family or household members are defined as “persons who:

- Are or were married to one another;
- Are or were residing together in the same household;
- Are or were related by blood or marriage;
- Have a child in common regardless of whether they have ever married or lived together; or
• Are or have been in a substantive relationship, which shall be adjudged in consideration of the following factors: (1) the length of time of the relationship; (2) the type of relationship; (3) the frequency of interaction between the parties; and (4) if the relationship has been terminated by either person, the length of time elapsed since the termination of the relationship."

Consent: (not defined by M.G.L. in this context)
In Massachusetts, it is illegal to have sex under any circumstances with someone who is incapable of giving consent due to incapacity or impairment; incapacity or impairment may be caused by intoxication or drugs, or because a victim is underage, mentally impaired, unconscious, or asleep. For purposes of the Olin Sexual Misconduct Policy, consent is an explicitly communicated, reversible, mutual agreement to which all parties are capable of making a decision.

Massachusetts has several laws that define the age of consent and the additional penalties that attach if a person is under the age of 16 or 14. E.g., statutory rape laws, indecent and assault and battery on a person under the age of 14.

Retaliation: (Referenced by M.G.L. in various contexts, e.g., Chap. 151B.)

Other Definitions

Actual Knowledge means notice of sexual harassment or allegations of sexual harassment to the College’s Title IX Coordinator or any official of the College who has authority to institute corrective measures on behalf of the College. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the College with actual knowledge is also the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the College. "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment. At the time of filing a formal complaint, the complainant must be participating in or attempting to participate in the College’s education program or activity.

Education Program or Activity includes locations, events, or circumstances over which the College exercised substantial control over both the respondent and the context in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by a postsecondary institution.

Formal Complaint means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the College investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the College with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator in this policy and by any additional method designated by the College. As used in this paragraph, the
phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the College) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party.

**Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

**Supportive Measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the College’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the College’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The College will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the College to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

**Student** includes all persons taking courses at the College both full and part-time, pursuing undergraduate, graduate or professional studies; and those who attend post-secondary education institutions other than Olin College and who reside in College residence halls. Persons who are not officially enrolled for a term, but who have a continuing relationship with the College are considered students. Solely for purposes of this definition, the term “employee of the College” does not include students who are employed by the College through a work-study or similar program.

V. Olin Resources and Other Community Resources
There are several offices and resources within the Olin community that can be called upon to report incidents of behavior that could be subject to the Title IX Policy and can serve as supports to individuals in many different ways. These resources are available to both complainants and respondents (see definitions).

A. Confidential Medical and Counseling Resources
Some Olin resources designated as “confidential resources” have the ability to maintain legally protected confidentiality with the individual who shared the information. These individuals serve in professional roles in which communications are provided confidential status under the law (e.g., licensed mental health care providers, licensed medical providers, pastoral counselors and clergy) and may not report identifying information about behavior that may implicate the Title IX Policy without the expressed permission of the individual who supplied the information in question or otherwise in
compliance with law. However, these confidential resources are instructed to inform individuals of their right to report a violation or file a formal complaint under the Title IX Policy and/or with the police and may assist in that process.

Below is a list of some available confidential resources for community members at Olin:

---

2 Confidential resources generally will not share identifiable information without the reporting individual’s permission, unless:

- Sharing is required to address an imminent risk of harm to the safety of the community at large, the individual sharing the information, or another member of the community; or

- The individual alleged to have been harmed is a minor (under 18), in which case the Massachusetts Department of Children and Families must be notified; or.

- Elder or disabled individual abuse is reported.

Please note that such individuals who receive reports when not functioning in their licensed or pastoral capacity (e.g., when acting as an administrator or teaching a course) are not prohibited from making a report.

3 Please note that the list of resources is not comprehensive, and all individuals are welcome to utilize resources beyond the names provided. Any questions as to the reporting status of a resource should be directed to the Title IX Coordinator.
B. Non-Confidential Olin Reporting Options and Resources
To report a violation, file a formal complaint, or seek information about the process under the Title IX Policy, please contact the Title IX Coordinator (See contact information in Section IV above).

Olin recognizes that an individual may feel most comfortable discussing incidents, situations, and/or allegations with Olin employees whom the individual knows well. It is important to note that the following Olin employees have been designated to receive reports of sexual misconduct and are obligated by law to disclose all reports and relevant information committed by or impacting any community member, that is shared with them, to the Title IX Coordinator concerning unlawful discrimination on the basis of sex, gender identity, sexual orientation, and marital or parental status, as well as incidents and allegations of sexual misconduct (including, but not limited to sexual harassment, sexual assault, domestic violence, dating violence and stalking), and/or retaliation. The Title IX Coordinator will then take the steps to provide the complainant (if known) with rights and resource information and implement any supportive measures.

SEE LISTING OF CAMPUS MANDATORY REPORTERS (Pg. 60)

The College officials listed above must disclose all information they know related to a report of potential sexual harassment, including the names of the alleged victim and perpetrator (if known), any witnesses and any other relevant facts including, the date, time and specific location of the alleged incident.

To the extent possible, information reported to the above listed College officials will be shared only with the Title IX Coordinator and those who assist in the implementation of Olin’s Title IX Policy and procedures. If the incident is an emergency or poses a serious or continuing threat, the official should first call Babson/Olin Public Safety immediately. If the incident is not an emergency does not pose a serious or continuing threat the official should not share information with law enforcement without the alleged victim’s consent or unless the employee is otherwise required by law to do so.
Once the College official learns about an incident, allegation or receives a report, Olin is on actual notice of the alleged incident and the Title IX Coordinator will then take the steps to provide the complainant (if known) with rights and resource information and implement any supportive measures.

Whenever possible, the above listed College officials will disclose their duty to report incidents before someone reveals information about an incident. Olin encourages individuals to speak with the Title IX Coordinator or one of the officials listed above so that supportive measures may be provided and, if the complainant elects to file a formal complaint, that the incident can be looked into and properly resolved.

C. Criminal Reporting Options
Individuals who believe that they may have been victims of a crime may file a criminal complaint with the Babson/Olin Public Safety (781.239.5555) and/or the local police department (911) where the incident occurred. An individual may make both a criminal complaint and a complaint to Olin under its Title IX Policy.

Olin encourages individuals to report incidents to the police so the police can take appropriate measures to help individuals and prevent future crimes. However, individuals are never required to report an incident to Babson/Olin Public Safety or the local police.

Officers and investigators are trained to respond, support, and collaborate with local health and law enforcement to help preserve evidence should an individual wish to pursue a criminal prosecution in addition to other protective orders available through the court system.

Additionally, if an individual wishes to file a report with off-campus authorities, they may choose to go directly to the local police department. Transportation to the police department is available through Olin. One may also choose to have the police come to Olin’s campus. If this option is chosen Olin can arrange for a discreet and private place to meet for this purpose. By filing a report, you are not committed to seek criminal prosecution. However, Olin will evaluate its obligation to conduct an internal investigation as described in Section VI.A.1 below.

D. Government Reporting Options

If one wishes to file a complaint of sex discrimination, sexual harassment, including, but not limited to, sexual misconduct, sexual assault, domestic violence, dating violence, stalking, and/or retaliation, outside of the College or in addition to a complaint filed under Olin’s Sexual Misconduct Policy, contact one of the government agencies listed below.

E. Additional Resources and Guidance for Complainants and/or Reporting Parties

Individuals who have experienced sexual assault, domestic violence, dating violence, stalking, and/or retaliation may experience a wide range of feelings and have questions and concerns. Many resources to assist individuals at Olin in including local and national services.

In an emergency, contact public safety at 781.239.5555 or dial 911. Immediately get to a safe place and call someone you trust.

1. Steps to Preserve Evidence. Any person who has experience sexual violence is encouraged to take steps to preserve evidence of the incident, as doing so may be necessary to the proof of the crime or to obtain a protective order. Clothing and surroundings may contain valuable evidence. If possible, refrain from going to the bathroom unless they are able to save a urine sample in a clear container. Too, refrain from drinking, showering, brushing teeth, combing hair, changing clothing, and straighten up anything. It is natural to want to do these things, yet it is important that a Sexual Assault Nurse Examiner (SANE) or physician be able to examine an individual as they are from the incident. If an individual needs to change their clothes, each garment worn during the incident should be separated in a paper (not plastic) bag. If the incident involves any written or electronic communications (such as texts, pictures, videos, social media posts, phone calls), one should try and preserve copies and not delete original material.
2. Confidential Medical Attention after Sexual Assault or Other Violence. Medical attention is highly recommended to treat any possible injuries, including internal injuries or infections, even if there is no visible injury present. It is important to be aware that there are some medical actions that are more effective if taken within the first few days after an offense, such as pregnancy tests, tests for sexually transmitted infections (STI’s), evidence collection, and toxicology testing (if there are signs that drugs or alcohol facilitated the offense). Immediate medical attention may be especially helpful to prevent the transmission of STI’s, such as HIV, as long as medications are administered within the first 24-72 hours following an assault. Generally, an individual may discuss the incident with a licensed medical professional on a confidential basis.

Olin recommends that any person who has experienced sexual violence obtain medical assistance at a hospital or medical facility immediately after or within 72 hours of a sexual assault. These providers offer physical exams and provide sexual and reproductive health services (e.g., sexually transmitted infections and pregnancy testing). Sexual Assault Nurse Examiners (SANE) are also available at some hospitals to collect evidence in the event that the individual seeks to pursue criminal charges or a protective order.

**Newton-Wellesley Hospital**

Phone: 617.243.6000

Sexual Assault Nurse Examiners (SANE) are available to collect evidence if looking to pursue criminal charges.

**Brigham & Women’s Hospital**

**Metro West Hospital**

Phone: 508.650.7000

**Massachusetts Department of Health**

Phone: 617.624.6000
If seeking transportation to the hospital through Olin, please contact the Title IX Coordinator. An individual may also request transportation with the help of Babson/Olin Health Services, or be transported by a friend or family member.

A Sexual Assault Medical examination is used to (a) collect evidence important in criminal prosecution or a civil case and (b) treat possible injuries or illness sustained from the offense. Having the examination provides an opportunity to obtain any possible evidence necessary to support the case should one choose to handle the incident through the criminal justice or other legal process. The examination is an optional procedure and does not commit an individual to any legal action. An individual is also not required to make a police report. Any evidence collected during the examination is held up to six months in a confidential storage which is identified only by a number, not a name. It is the individual’s right to request a Sexual Assault Nurse Examiner (SANE) to perform the examination.

There is no charge for a sexual assault medical examination completed in a Massachusetts hospital within five days after a sexual assault occurring in the state. The hospital where the examination occurred will work with the Massachusetts Victim Compensation & Assistance Division for the payment of any lab work, emergency room fees, physician’s fees, and medications during the hospital visit. Individuals are also eligible for additional expenses associated with the aftercare if deemed medically necessary as result of the incident. This can include further medical treatment, medications, counseling, replacement bedding and clothing (taken during the administration of the Sexual Assault Forensic Examination (SAFE) kit), security measures, etc. To determine eligibility for these post-examination expenses, one will need to complete the Massachusetts SAFE Post Examination Application provided at the time of release from the hospital.

If an individual did not obtain an examination at the time of the incident, the Massachusetts Victim Compensation Fund may also cover the cost of the examination care at a later date as well as some possible post examination care (e.g., for follow up care for STI prevention, medication, testing, counseling, security measures, lost wages) if an individual submits a Crime Victim’s Compensation application with law enforcement. More information can be found at www.mass.gov/ago/vcomp.

F. Confidential Support for Complainants and Respondents
The following resources can generally talk to individuals without revealing any personally identifying information about an incident to Olin. While maintaining an individual’s confidentiality, these individuals or their offices may report the nature, date, time, and general location of an incident to the Title IX Coordinator. This limited report, which does not include information that would directly or indirectly identify the individual, helps keep the Title IX Coordinator informed of the general extent and nature of sexual misconduct on and off campus so the Coordinator can track patterns, evaluate the scope of the problem, and formulate appropriate campus-wide responses. Before reporting any information to the Title IX Coordinator, these individuals will consult with the individual to ensure that personally identifying details are not shared.

1. Babson/Olin Health Services (students only). Babson/Olin Health Services is available to assist students with immediate needs and to review available medical options. Babson/Olin Health Services can offer support, testing and treatment for STI’s and follow-up appointments for further testing, if necessary. If medical care is needed well after the incident had occurred, Babson/Olin Health Services can still provide any needed support and perform testing and treatment for students. Olin
CAMPUS SECURITY

recommends that any person who has experienced sexual violence obtain medical assistance at a hospital immediately after or within 72 hours of a sexual assault. Babson/Olin Health Services staff are trained to assist individuals and determine what options and resources are available. A confidential meeting can be scheduled by calling Babson/Olin Health Services at 781.239.6363. Transportation to a local hospital with a support person of your choice can also be arranged.

2. Colony Care Behavioral Health (students only). Individual counseling appointments with members of the Colony Care staff are confidential and no information will be released with your permission except as required by law. A therapist will review confidentiality, so individuals are able to make an informed decision about what information they feel comfortable sharing. All independently licensed psychologists at Colony Care are experienced in counseling both Complaining and Responding Parties in sexual misconduct, dating violence and domestic violence concerns. Psychological counseling is intended to help individuals process their emotions and thoughts related to the incident. The course of treatment is determined by each individual’s needs, which may change over time. Some goals of treatment include establishing safety, regaining a sense of control, addressing depression, and attending to any psychological symptoms that may result from the incident. Counselors at Colony Care will also provide individuals with options and resources as well as providing support when making important decisions.

3. Employee Assistance Program (EAP) (employees only). E4 Health is available to provide up to (7) sessions of confidential counseling for employees, their family and household members to resolve personal and/or job-related concerns that may adversely impact health, well-being, social functioning, and productivity issues in the workplace. Some support issues include relationship difficulties, mental health, life cycle events, grief and loss, addiction, stress, and family. Additionally, E4 provides legal consultation, health and wellness resources, family and caregiving referrals, and convenience services.

G. Consider Reporting and Complaint Options
1. Complaint under Olin’s Title IX Policy. To file a formal complaint under this policy, contact the Title IX Coordinator as described in Section IX.
2. Criminal Report. To file a criminal complaint, contact public safety at 781.239.5555 or dial 911 as described in Section V.C.
3. Reporting to Governmental Agency. To file a complaint with a governmental agency, please see Section V.D.

H. Additional Support and Resources – Hotlines, Advocacy, Shelters, and Support
There are many resources available for individuals seeking support, assistance, and guidance from someone outside of the Olin College Community. These service providers are not required to report any information to Olin and generally hold confidentiality with individuals seeking assistance.

VI. Additional Considerations

A. Privacy and Confidentiality: Treatment of Reported Information.

Requests for Confidentiality or No Investigation. Olin will act with discretion with regards to the privacy of individuals and the sensitivity of the situation when receiving a report of conduct that could trigger the Title IX Policy. The Title IX Coordinator will only share information with College personnel who assist in the implementation of Olin’s Title IX Policy and procedures.

There are certain circumstances in which Olin has a broader obligation to the community and may need to override a) an individual’s request for privacy or b) an individual’s request Olin will not investigate a matter. Because either such a request could impact Olin’s ability to appropriately address and resolve the behavior in question, Olin will weigh these requests carefully. In the case of Title IX allegations, the Title IX Coordinator will evaluate the aforementioned requests by considering a range of factors including, but not limited to, whether:

- There is a pattern of alleged sexual harassment against the respondent;
- The involvement of violence or weapons;
- The seriousness of the alleged sexual harassment;
- The age of the student harassed;
- Whether there have been other complaints or reports of sexual harassment against the alleged harasser; and
- Similar factors in a complainant’s allegations

The presence of one or more of these factors may lead the Title IX Coordinator to sign a formal complaint under Section X of this Policy. In signing a formal Title IX complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy. In deciding whether to sign a formal complaint, the Title IX Coordinator will consider the facts of the specific case and will consider the factors set forth above.

Note: If the Title IX Coordinator does commence a formal complaint and a complainant is known, the Coordinator will provide the complainant all notices and opportunities to respond to evidence, even if the complainant is not actively involved.
CAMPUS SECURITY

If Olin does not proceed, the Title IX Coordinator will consider broader remedial action, such as increased or targeted education or prevention measures, increased monitoring, security or supervision, conducting surveys and or revisiting its policies and practices.

Disclosure of Sexual Harassment at Public Awareness Events. Public awareness events such as “Take Back the Night”, candlelight vigils, community programs and other public forms in which individuals disclose incidents of sexual violence, dating or domestic violence, and/or stalking are not considered notice to the College to trigger an obligation to investigate. However, such events may inform Olin’s prevention and education efforts.

B. Duty to Report Gender-Based Discrimination, Sexual Harassment, and Retaliation

All college employees designated as college officials who have the authority to institute corrective measures on behalf of Olin (see Section V) are obligated by law to disclose reports and information that is shared with them to the Title IX Coordinator concerning: unlawful discrimination on the basis of sex, gender identity, sexual orientation, and marital or parental status, as well as incidents and allegations of sexual misconduct (including, but not limited to sexual harassment, sexual assault, domestic violence, dating violence, and stalking), and/or retaliation.

In addition, Olin employees who are designated as campus security authorities (CSAs) for the purposes of the Clery Act must provide Public Safety with non-identifying statistical information regarding all reporting incidents of Clery crimes (including, but not limited to, sexual assault, dating violence, domestic violence, stalking and hate crimes). Any questions about the reporting or confidentiality status of an individual should be directed to the Title IX Coordinator.

Individuals who serve in professional roles in which communications are provided confidential status under the law (e.g., licensed mental health care providers, licensed medical providers, pastoral counselors and clergy) are not obligated to report identifying information about behavior that may implicate the Sexual Misconduct Policy without the consent of the individual who supplied the information in question or is otherwise in compliance with law as noted in Section VI.A above. However, these confidential resources are instructed to inform individuals of their rights to file a formal complaint under the Title IX Policy and may assist in that process. Confidential resources may, consistent with their legal obligation and ethical requirements, provide limited statistical information about incidents without revealing personally identifiable information regarding the identity of the individuals involved to the Title IX Coordinator.

C. Crime Log, Statistical Reporting, Emergency Notifications and Timely Warnings

The Clery Act requires Olin to maintain a daily log of certain reported crimes that occurred on campus, Olin controlled property, and public property immediately adjacent to the campus, to publish an Annual Security and Fire Report concerning those reported crimes, and to issue emergency notifications and/or timely warnings. The current Annual Security and Fire Report can be found on the Babson webpage of Public Safety at http://www.babson.edu/offices-services/public-safety/safety-crime-prevention/Pages/clery-act.aspx. In connection with such reports involving sexual assault, dating violence, domestic violence or stalking, Public Safety will include the reported crime in its crime log and Annual Security and Fire Report statistics without identifiable information or other information prohibited by law. Public Safety will also issue emergency notifications and/or timely warnings, as appropriate, without the name or personally identifiable information about the alleged victim-survivor.
VII. Olin’s Response to a Report of Sexual Harassment

When a report of sexual harassment is made to the College, Olin will respond promptly in a manner that is not deliberately indifferent as outlined below. The College will treat both complainants and respondents equitably by offering supportive measures to the complainant (if known) and respondent, and by following the formal investigation and grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.

Upon receiving a report of conduct that could fall under Olin’s Title IX Policy, the Title IX Coordinator will assess the need to take any immediate action to address the safety and health needs of the Complainant\(^5\) and the Olin community. The initial assessment is a preliminary action to determine the need for any supportive measures; it is not part of an investigation conducted after receipt of a formal complaint.

This initial process includes, but is not limited to, the following:

**A. Meeting with the Complainant**

The Title IX Coordinator will promptly meet with the complainant (if known) to:

1. Encourage the complainant to discuss the nature and circumstances of the reported conduct;
2. Review relevant documentation that is available;
3. Discuss the availability of supportive measures; and
4. Consider the complainant’s wishes with respect to supportive measures. If supportive measures are not provided to a complainant, the Title IX Coordinator will document why they were not provided and why not providing such measures is not deliberately indifferent;
5. Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint and, if applicable, the right to report or the right to decline to report the matter to Public Safety and/or local law enforcement;
   a. A report to Public Safety or local law enforcement will not change Olin’s obligation to potentially investigate the matter if a formal complaint is eventually filed with the College, but it may briefly delay the timing of an investigation if a law enforcement

---

\(^5\) The individual who experienced the conduct that may have violated Olin’s Sexual Misconduct Policy will be referred to as the “Complainant.” The Individual who is alleged to have violated Olin’s Sexual Misconduct Policy will be referred to as the “Respondent.” When the Complainant and Respondent are discussed collectively, they will be referred to as the “Parties” and “Party.” There may be an instance where another individual, who has not experienced but is aware of the occurrence of prohibited conduct, may bring a complaint under Olin’s Title IX Policy. This individual is referred to as the “Reporting Party.” In specific circumstances, Olin will determine which of the protections provided to the Complainant under Olin’s Title IX Policy are also applicable to the Reporting Party.
agency requests that the College delay its process for a reasonable amount of time to allow it to gather evidence of criminal conduct;

6. Explain the process for filing a formal complaint with the Title IX Coordinator;

7. Discuss protection from, and reporting of, incidents of retaliation;

8. Provide written notification of the counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available for complainant both within the College and in the community; and

9. Discuss the importance of preserving relevant evidence or documentation (e.g., texts, emails, notes, photographs (etc.).

B. Meeting with the Respondent
After meeting with the complainant, the Title IX Coordinator will also promptly contact the respondent, who will also be offered supportive measures.

C. Supportive Measures
Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate and reasonably available to either or both Parties before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the College’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the college’s educational environment, or deter sexual harassment. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The measures needed by either or both of the Parties may change over time, and the Title IX Coordinator will communicate with the Parties throughout the investigation to ensure that any supportive measures are necessary and effective based on the Parties evolving needs.

Examples of supportive measures, with respect to sexual misconduct, include counseling, no-contract directives, requests for academic and/or work adjustments, changes to living, dining, transportation, working and/or immigration situations, statutorily-provided leave to employees pursuant to M.G.L. c. 49, § 52D, and other similar accommodations.

The College will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality will not impair the ability of the College to provide the supportive measures.

D. Timely Warnings
The Title IX Coordinator will assess the reported conduct to determine whether circumstances pose a threat to the health or safety of the College community that warrants issuance of a timely warning. The purpose of the Timely Warning notification is to enable individuals to protect themselves and to increase safety awareness, as well as seek information that will lead to the arrest and conviction of the perpetrator. The victim’s names and other personally identifiable information will not be included in any emergency notification or public safety advisory.
VIII. Initiating a Formal Complaint with the College

The filing of a formal complaint triggers the College’s investigation and grievance hearing process under this policy. A formal complaint of sexual harassment is a document or electric submission filed by the complainant or signed by the Title IX Coordinator alleging sexual harassment under this policy against a respondent and requesting that the College investigate the allegation.

At the time of filing a formal complaint, the complainant must be participating in or attempting to participate in the education program or activity of the College. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator in this policy and by any additional method designated by the College.

Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy. In deciding whether to sign a formal complaint, the Title IX Coordinator will consider the facts of the specific case and will consider the factors set forth in the Requesting Confidentiality from Olin College section above.

Note: If the Title IX Coordinator does commence a formal complaint and a complainant is known, the Coordinator will provide the complainant all notices and opportunities to respond to evidence, even if the complainant is not actively involved.

A. Period of Limitations

There is no window of time after an incident of sexual harassment has occurred in which to file a formal complaint with the College. The College, however, strongly encourages early filing of a formal complaint in order to preserve evidence for a potential legal or College grievance proceeding. Delays in filing, while permitted, may limit the College’s ability to investigate and respond effectively may be reduced with the passage of time.

B. Notice of Allegation(s) to the Parties

Upon receipt of a formal complaint, the Title IX Coordinator will provide the following written notice to the parties who are known:

1. Notice of the applicable College grievance process, including information regarding the College’s informal resolution process.

2. Notice of the allegations potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:

   a. The identities of the parties involved in the incident, if known;
   b. The conduct allegedly constituting sexual misconduct; and
   c. The date and location of the alleged incident, if known.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the applicable grievance process.
4. A statement informing the parties that they may have an adviser of their choice, who may be, but is not required to be, an attorney, during the grievance hearing, and may inspect and review evidence during the College’s investigation process.

5. A statement informing the parties that knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and subject to appropriate disciplinary action.

If, in the course of an investigation, the College decides to investigate allegations about the complainant or respondent that are not included in the notice provided above, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known.

C. Dismissal of a Formal Complaint
The Title IX Coordinator will review the allegations in the formal complaint. If the Title IX Coordinator determines that the formal complaint would not, in any way even if proved, trigger the Title IX Policy (i.e., did not occur in the College’s education program or activity or did not occur against a person in the United States), they will advise the complainant of such, dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX and refer the reported conduct to the appropriate office for addressing, consistent with their policy. Such a dismissal does not preclude action under the College’s applicable disciplinary policies. If, however, new information is subsequently provided, the reported conduct may be reevaluated to determine whether an investigation is warranted.

The Title IX Coordinator will also dismiss the formal complaint or any allegations therein, if at any time during the investigation or grievance hearing:

1. A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;

2. The respondent is no longer enrolled or employed by the College; or

3. Specific circumstances prevent the College from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the Title IX Coordinator will promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties, as well as notice of the right to appeal the dismissal.

D. Consolidation of Formal Complaints
The Title IX Coordinator may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual misconduct arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular “party,” “complainant,” or “respondent” include the plural, as applicable.

E. Emergency Removal Procedures
The Title IX Coordinator or Deputy Coordinator may remove a student from the College’s education program or activity on an emergency basis, provided that the Coordinator (or designee):

1. Undertakes an individualized safety and risk analysis;
2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and

3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

An emergency removal does not replace the regular grievance hearing process, which shall proceed on the normal schedule, up to and through a hearing, if required.

How to Challenge an Emergency Removal Decision

Challenges are resolved by the Dean of Student Affairs. The challenge must be submitted in writing by the respondent within five (5) business days after the receipt of the Title IX Coordinator’s emergency removal decision.

The challenge statement must specify the grounds for the challenge and include any evidence in support of the grounds. The grounds for an appeal are limited to:

1. Information that a procedural error affected the decision;
2. Information that a factual error affected the decision; or
3. Additional information relevant to the assessment that was not available at the time of the initial safety and risk analysis.

During the challenge, the emergency removal decision will remain in place. A written response to the appeal will be provided by the Dean of Student Affairs to the respondent by mail and email (if both addresses are known). The outcome of the challenge is final.

F. Administrative Leave

The College may place a non-student employee respondent on administrative leave during the pendency of a formal grievance process. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

IX. Process for Investigating and Resolving Formal Complaints

This section describes how Olin will: 1) investigate a formal complaint, 2) detail conduct that could violate Olin’s Title IX Policy, and 3) determine what, if any, remedial measures and/or disciplinary sanctions exist for individuals found responsible for violating Olin’s Sexual Misconduct Policy.

A. Optional Informal Resolution Procedures

The following Informal Resolution Procedure may not be used in an effort to resolve allegations that an Olin College employee sexually harassed a student.

All Parties and the Title IX Coordinator must agree to informal resolution for this option to be used. The Title IX Coordinator will assess the request for an informal resolution against the severity of the alleged violation and the potential risks to Olin community members. If the Title IX Coordinator determines that an informal resolution is appropriate, the Title IX Coordinator will notify the Parties in writing that participation is strictly voluntary and is not offered as a condition of enrollment/continuing enrollment, employment/continuing employment, or a waiver of the right to a formal investigation. Moreover, the
written notification will state that the parties have the right to withdraw from the informal resolution process at any time and resume the grievance process with respect to the formal complaint. The notice will also state that the parties have the right to be accompanied by an advisor.

If, after receiving written notification of the above rights, the parties both voluntarily consent in writing to pursue informal resolution, the Title IX Coordinator will assign a trained administrator or third-party external to the College to facilitate the informal resolution process.

The allegation will be deemed resolved when the Parties expressly agree to an outcome that is acceptable to them, which is approved by the Title IX Coordinator in consultation with other appropriate College administrators. If, however, informal resolution efforts are unsuccessful, the investigation and/or grievance hearing process will continue.

A Party may withdraw from the informal resolution process at any time. The Title IX Coordinator may also reinitiate an investigation at any time they deem appropriate.

The Title IX Coordinator will maintain records of all reports and conduct resolved through informal resolution for a period of seven (7) years.

B. The Investigation Phase

Notice of an Investigation. If it is determined that the formal complaint could trigger Olin's Title IX Policy and an investigation is required, the Title IX Coordinator will prepare a written notice to the complainant and respondent that will include a brief description of the allegations, the portions of Olin's Title IX Policy that are alleged to have been violated, and any supportive measures in place for which either Party must be made aware. This written notice does not constitute a finding or a determination of responsibility. Additionally, the respondent may also request supportive measures during the investigation.

Investigation Phase Guidelines. During the investigation and throughout the formal grievance process, the Title IX Coordinator will:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the College and not on the parties provided that the College will not access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the College obtains that party’s voluntary, written consent to do so for the grievance process;

2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpative and exculpative evidence;

3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence (e.g., no “gag orders”);

4. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the adviser of their choice, who may be, but is not required to be, an attorney, and not limit
the choice or presence of adviser for either the complainant or respondent in any meeting or grievance proceeding (see the Information about Advisers in Connection with Allegations of Sexual Misconduct section below for more information); however, the College may establish restrictions regarding the extent to which the adviser may participate in the proceedings, as long as the restrictions apply equally to both parties;

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;

6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

The Title IX Coordinator will communicate with the investigator regularly throughout the investigation to ensure that the investigation is thorough, impartial, and fair and that the above guidelines are adhered to.

Information about Advisers in Connection with Allegations of Sexual Harassment. Each Party may have a single adviser of their choice to guide and accompany them throughout the investigation, grievance hearing, and appeal processes. The adviser may be a friend, mentor, family member, attorney or any other supporter a party chooses to advise them, as long as the adviser does not play any other role in the process, such as serving as a witness.

During the investigation phase, advisers may not participate actively and may not speak or otherwise communicate on the part of the Party that they represent. However, the adviser may ask to suspend any meeting or interview briefly to provide private consultation related to the investigation proceeding in progress.

During the grievance hearing phase, the parties’ respective adviser will be required to conduct cross-examination directly, orally, and in real time. If a party does not have an adviser, the College will provide a trained adviser to the party free of charge.

An adviser is subject to the same confidentiality expectations applicable to others in attendance. Accommodations, including scheduling of interviews or reviews, generally will not be made for any advisers if they unduly delay the process. Without prior approval of the Title IX Coordinator, as determined in their sole discretion, the adviser is not permitted to attend a meeting or proceeding without the Party. Olin reserves the right to take appropriate action regarding any adviser who disrupts the process, or who does not abide by the restrictions on their participation as determined in the sole discretion of the Title IX Coordinator. A union-represented employee who is the respondent may choose
an adviser who is not a union representative, if the respondent does not desire to have the union representative participate in the proceeding⁶.

**Support Services and Resources.** The Parties should review Sections V and VI regarding the available support services and resources at Olin. At the request of either Party or witness, the Title IX Coordinator can provide additional information on the support services, resources, and options available.

**Designation of Investigator.** The Title IX Coordinator will designate at least one investigator to conduct a prompt, fair, and impartial investigation of the reported conduct and prepare a report of investigative finding (the “Investigative Report”). At Olin’s discretion, the investigator may be an external investigator and more than one investigator may be assigned. All investigators will be selected from a group of qualified and trained individuals engaged by Olin for the purpose of conducting investigations under Olin’s Title IX Policy. The Title IX Coordinator will provide the Parties with the name of the investigator(s) assigned to investigate the reported conduct. As soon as possible, but no later than three (3) calendar days after notification of the identity of the Investigator(s), the Parties should inform the Title IX Coordinator (in writing) of any conflicts of interest with regard to the selected Investigator(s). The Title IX Coordinator will consider the nature of the conflict and determine if different investigator(s) should be assigned. The Title IX Coordinator’s decision regarding any conflicts is final. The Title IX Coordinator may consult with other Olin employees (e.g., the Dean of Student Affairs and/or Director of Human Resources) to discuss any conflicts of interest.

**Nature of the Investigation.** The investigation will include separate interviews with the Complainant, the Respondent, and any witnesses whom the Investigator(s) believe will provide necessary and relevant information. The investigation may include review of documentation or other items relevant to the reported conduct. The Investigator(s) will provide the Parties with written notices of meetings in which their presence is required.

**The Parties’ Identification of Potential Witness and Documentation.** The Parties have the opportunity to identify potential witnesses who have specific information about the reported conduct and with whom they would like the Investigator(s) to speak. The Parties also have the opportunity to provide the Investigator(s) with any documentation or other items or questions they would like to be considered. All information described in this section must be presented to the Investigator(s) in writing and include a brief description as to how the persons, documents, and/or items are relevant to the reported conduct. This information must be provided to the Investigator(s) during the Investigation Phase and without delay upon becoming aware of it. The Investigator(s) will exercise discretion in their determination of what information to consider and which potential witnesses identified by the Parties can provide relevant information to the investigation.

**Investigation Prohibitions.** Neither Party will be permitted to question or cross-examine the other Party directly during the investigation proceedings. Moreover, the Investigator(s) generally will not gather or consider information related to either Party’s sexual history outside of the conduct in question.

---

⁶ Olin’s Title IX Policy is not intended to undermine or alter any rights afforded to a union-represented employee, as provided by applicable law or any collective bargaining agreement, including, but not limited to, a union represented employee’s Weingarten rights.
Respondent Voluntary Agreement to Policy Violation. At any point prior to the conclusion of the investigation or grievance hearing, a respondent may agree, in writing, to 1) the alleged violation(s) of Olin’s Title IX Policy and 2) proposed sanction. In such a situation, the Title IX Coordinator or assigned Hearing Officer (if applicable) may propose sanction(s) for the respondent and, if the complainant and the respondent agree to such proposed sanction(s), then the complaint may be resolved without a hearing and without any further rights of appeal by any party. If either the complainant or the respondent objects to such proposed sanction(s), then the matter will be assigned to a Hearing Officer in accordance with the Grievance Hearing Phase, who will convene a hearing for the exclusive purpose of determining a sanction.

Inspection and Review of Evidence. Prior to completion of the investigative report, the Investigator(s) will send to each Party and the Party’s adviser, if any, in an electronic format or a hard copy any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint (including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a Party or other source) so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

The Parties will have at least 10 days to submit a written response, which the Investigator(s) will consider prior to completion of the investigative report. The Investigator(s) will make all such evidence subject to the parties’ inspection and review available at any hearing to give each Party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.

Investigative Report. At the conclusion of the Investigation Phase, the Investigator(s) will prepare an Investigative Report, which will include a summary of the factual information presented during the Investigation Phase, a separate section where the Investigator(s) point out relevant consistencies or inconsistencies (if any) between different sources of information. The Investigative Report will not include a determination by the Investigator(s) as to whether the respondent has violated Olin’s Title IX Policy or what sanctions may be appropriate. The report will be issued in an electronic format or a hard copy to each Party and the party’s adviser at least 10 days prior to the formal grievance hearing (if a hearing is required) for their review and written response.

C. Grievance Hearing Phase
Following the opportunity for review and comment of the investigator’s report, the Title IX Coordinator will forward the case to a specially trained impartial Title IX Hearing Officer either internal or external to the College for formal resolution via a grievance hearing.

The Hearing Officer may not have a conflict of interest and cannot be the same person(s) as the Title IX Coordinator or the investigator(s).

Notice of Grievance Hearing
The Title IX Coordinator will send a written notice of the hearing to the parties within ten business days prior to the hearing date. The written notice will include the following information:

1. The date, time, location and factual allegations concerning the alleged policy violation;
2. The specific policy allegedly violated;
3. Possible sanctions;
4. The time, date, and location of the hearing and the contact information of the Hearing Officer assigned to hear the matter;

5. Information about requesting reasonable accommodations for the hearing;

6. A copy of the College’s hearing rules and procedures;

7. Notice of the requirement that an adviser must conduct cross examinations directly, orally, and in real time at the hearing and that if a party does not have an adviser, the College will provide one free of charge;

8. The process for requesting witnesses;

9. Notice of the right to request that the parties be separated with the utility of technology to enable the parties to see and hear one another as needed from different rooms;

10. Notice of the right to file a protest the appointment of the Hearing Officer by identifying a possible conflict of interest in writing to the Title IX Coordinator (see Conflicts of Interest clause below).

In addition to the above, the respondent’s written notice will further contain the option to acknowledge full, partial, or no responsibility for the alleged violations prior to the hearing. At any time prior to the date of the hearing, the respondent may elect to acknowledge their actions and take responsibility for the alleged sexual harassment. In such a situation, the assigned Hearing Officer may propose sanction(s) for the respondent and, if the complainant and the respondent agree to such proposed sanction(s), then the complaint may be resolved without a hearing and without any further rights of appeal by any party. If either the complainant or the respondent objects to such proposed sanction(s), then the Hearing Officer will convene a hearing for the exclusive purpose of determining a sanction.

Hearing Rules

The grievance hearing is conducted in a fair and equitable manner for the purpose of determining whether it is more likely than not that the respondent committed an act of sexual harassment in violation of this policy (i.e. “the preponderance of the evidence” standard).

The following rules and regulations apply to all grievance hearings:

1. Both Parties will be treated fairly and equitably throughout the live hearing process;

2. Hearings will be private and closed to everyone except the involved persons;

3. The live hearing may be conducted in person or virtually at the discretion of the Hearing Officer;

4. At the request of either party, the parties will be separated with the utility of technology to enable the parties to see and hear one another as needed from different rooms.
   a. The use of such technology must enable the Hearing Officer and parties to see and hear the witnesses testify; and
   b. Training in the usage of such technology will occur before the hearing to ensure proper execution.

5. Both parties will be provided an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
6. The respondent is presumed not responsible until determined responsible for the alleged violation(s) at the end of the grievance process based upon a preponderance of the evidence, or more likely than not, standard;

7. During the hearing, the Parties’ respective advisers will be required to conduct cross-examination directly, orally, and in real time:
   a. Cross-examination may not be conducted directly by a Party;
   b. If a Party does not have an adviser, the College will provide a trained adviser to the Party free of charge;

8. During the hearing, the Hearing Officer will have the right to determine the relevancy of any questions asked on cross-examination and may exclude any irrelevant questioning.
   a. The Hearing Officer must provide an explanation to the parties for excluding a question on the basis of irrelevancy.
   b. Questions about the predisposition or prior sexual behavior of the complainant are deemed not relevant, unless such questions and evidence about the complainant’s prior sexual behavior are offered to prove someone other than the respondent committed the alleged conduct, or if the questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent;
   c. If a party or witness elects not to participate in cross-examination, the final decision will not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the Hearing Officer may not draw any inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions;
   d. The Hearing Officer will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege;

9. An audio recording of the hearing will be created by the College, which shall remain the property of Olin but made available to the Parties;

10. Cell phones and recording devices may not be used in the hearing room(s) (unless approved by the Hearing Officer in advance) and must be turned off before the hearing convenes;

11. Formal rules of evidence shall not be applicable;

12. The Hearing Officer may call any relevant witness to participate in a proceeding. Admission of any person to the hearing will be at the discretion of the Hearing Officer;

13. Pertinent records, video-surveillance images, relevant exhibits, and written statements may be accepted as information for consideration by the Hearing Officer. The applicability and weight of such evidence is determined at the sole discretion of the Hearing Officer;
14. The Hearing Officer will objectively review all relevant evidence—including both inculpatory and exculpatory evidence—and ensure that credibility determinations may not be based on a person’s status as a complainant, respondent, or witness;

15. The Hearing Officer may temporarily delay the grievance hearing or extend time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as:
   a. The absence of a party, a party’s adviser, or a witness;
   b. Concurrent law enforcement activity; or
   c. The need for language assistance or accommodation of disabilities.

Hearing Procedures
The following is a general description of procedures for the live grievance hearing. These procedures may vary as appropriate for specific hearings at the discretion of the assigned Hearing Officer.

1. Presentation of the investigation report by the investigator, followed by questions to the investigator by the Hearing Officer and then cross examination by the Parties’ advisers;

2. Complainant statement, followed by questions to the complainant by the Hearing Officer and then cross examination by the respondent’s adviser;

3. Respondent statement, followed by questions to the respondent by the Hearing Officer and then cross examination by the complainant’s adviser;

4. Fact and expert witness questioning by the Hearing Officer, followed by cross examination by the Parties’ advisers;

5. Closing statement by complainant;

6. Closing statement by respondent.

Written Determination and Notification
Following the hearing, the Hearing Officer will review all information presented through the investigation and live hearing processes and then issue a written determination regarding responsibility, which includes:

1. The allegations of sexual misconduct;

2. A description of the procedural steps taken;

3. Findings of fact;

4. Conclusions regarding applying the policy to the facts;

5. A statement with rationale detailing the result of each allegation;

6. A listing of any imposed sanctions and any remedies provided; and

7. An explanation of the College’s appeal process.
The written determination will be delivered simultaneously to both parties within ten business days after the hearing, unless the Hearing Officer determines additional time is needed to make a decision.

**Standard of Proof.** All findings and determinations of responsibility under Olin’s Title IX Policy will be made using a preponderance of the evidence standard. This standard requires the determination of whether it is more likely than not (>50%) that a fact exists or that a violation of Olin’s Title IX Policy occurred.

Please note that the preponderance of the evidence standard is not the standard used for criminal culpability in most jurisdictions, and a determination of responsibility under Olin’s Title IX Policy does not equate with a finding of a violation of criminal laws. Conversely, lack of a prosecution or conviction in a criminal proceeding does not necessarily imply that Olin’s Title IX Policy was not violated. The two procedures are significantly different and utilize different standards for determining violations.

**Determination of Sanctions**

The Hearing Officer will determine the appropriate sanction in the event that the respondent is found responsible for violating Olin’s Title IX Policy. The determination will be in writing and shared simultaneously with the Parties as detailed in the *Written Determination and Notification* clause above.

**Types of Sanctions**

1. **Employees.** Sanctions imposed with respect to respondents who are employees may include, but are not limited to, one or more of the following: dismissal from employment, non-renewal of an employment contract, suspension, probation, reprimand, warning, issuance of a no-contact order, training and/or counseling.

2. **Students.** Sanctions may include, but are not limited to, one or more of the following: expulsion, suspension, probation, reprimand, warning, restitution, education/counseling, issuance of a no-contact order, restriction from extracurricular programs or activities, loss of leadership opportunity or positions in activities, housing restriction/relocation, and/or loss or restriction from College employment.

3. **Considerations.** In determining an appropriate sanction, the Hearing Officer may take into account the following:
   a. The nature and circumstances of the harassment.
   b. The impact of the harassment on the complainant.
   c. The impact of the harassment on the College community.
   d. The disciplinary history of the Party deemed responsible.
   e. Any other mitigating or aggravating circumstances in order to reach a fair and appropriate resolution in each case. Range of sanctions are typically imposed for similar violations.

The Hearing Officer reserves the right to broaden or lessen any range of recommended sanctions in the case of serious mitigating or aggravating circumstances. The appellate officer will not deviate from the range of recommended sanctions unless compelling justification exists to do so. See the Appeals clause below.
Additional Remedies. The Title IX Coordinator may also identify additional remedies to address the effects of the conduct on the impacted Party. Remedies may include extending or making permanent any supportive measures. If a complainant declined or did not take advantage of a specific service or resource previously offered, Olin may re-offer the service, as applicable or necessary. The Title IX Coordinator may also consider broader remedial action for the campus community, such as increased supervision or monitoring, targeted or increased education and prevention efforts, and review of policies and procedures. In addition, if any matter raised, but not addressed hereunder, potentially violates any other Olin policy, rule, or procedure, the Title IX Coordinator may refer the matter raised to the appropriate officials, irrespective of the finding under this Policy.

Appeals. Within three (3) business days of the delivery of the notice of the decision of responsibility and/or sanction, either Party may appeal the decision by submitting to the Title IX Coordinator a letter stating why the Party requesting the appeal believes the determination of responsibility and/or sanctions were inappropriate. A Party appealing under this section may only appeal on the following grounds:

1. **Procedural error** by the Investigator(s) or Hearing Officer that materially prejudiced the Party requesting review; and/or

2. **Newly discovered material information** that was not known to the Party requesting review and not available to the Investigator(s) and Hearing Officer which likely would have changed the finding of responsibility or the sanction imposed, had it been available; and/or

3. **The Title IX Coordinator, Investigator(s), or Hearing Officer had a conflict of interest or bias that affected the outcome.**

The Party submitting the appeal must set forth, in detail, the grounds for review and must attach all materials that they wish to have considered in the appeal process. If both the complainant and respondent appeal, the appeals will be considered concurrently. The Title IX Coordinator may dismiss the appeal for failing to state one of the grounds for appeal listed above. Failure to submit a written appeal within three (3) business days forfeits the right to appeal under this policy, regardless of the outcome of the other party’s appeal (if submitted). If either the complainant or respondent submits an appeal, the Title IX Coordinator will notify the other that an appeal has been filed and the grounds of the appeal. The non-appealing student may submit a written response within five (5) days after notice of an appeal.

The Appellate Officer(s). The Appellate Officer(s) will decide the merits of any appeal and, in doing so, may consult with the Investigator(s), the Title IX Coordinator, the Hearing Officer and any other individual the Appellate Officer(s) deem appropriate. Appeals are decided based on the objective evaluation of the record of the original proceeding and any relevant evidence submitted by the parties.

The Appeals Officer shall not substitute the officer’s judgment for the decision of the original Hearing Officer or attempt to rehear the case. Credibility determinations will not be based on a person’s status as a complainant, respondent, or witness.

Sanctions of all types (including, but not limited to, any form of suspension, dismissal, or separation from the College) can be imposed, in full or in part, while an appeal is pending at the sole discretion of the Title IX Coordinator.
The Appellate Officer(s) may:

1. Deny the appeal and affirm all or part of the determination of responsibility or the determination of sanction; or

2. Refer the matter back to the Investigator(s) and Title IX Coordinator for further consideration, with specific instruction. In the event of a referral for further consideration, the Title IX Coordinator will be consulted, and further proceedings may commence, as appropriate under the circumstances, consistent with Olin’s Title IX Policy.

Note: Cases should only be recommended for remand for a new hearing if the specified procedural errors or conflict of interest was so substantial, they effectively denied the respondent or complainant a fair hearing, or new evidence merits a new hearing.

The decision of the Appellate Officer(s) regarding the appeal will be in writing, describing the result of the appeal and the rationale for the result, and is final. The Title IX Coordinator will inform the Parties simultaneously and in writing of the outcome of the appeal.

Once the appeals process is completed, it shall be the responsibility of the Title IX Coordinator to oversee the implementation of any imposed sanctions, as applicable.

X. Additional Matters

1. Duty of Truthfulness. All Parties and witnesses are obligated to be completely truthful during the course of the entire process set forth in Olin’s Title IX Policy. Any person who knowingly makes a false statement, either explicitly or by omission, in connection with any part of the process, may be subject to separate disciplinary action. A report made in good faith, however, is not considered false merely because the evidence does not ultimately support or refute the allegation of violation of the policy.

2. Duty of Cooperation. All Parties and witnesses are obligated to cooperate with the Title IX Coordinator and any persons charged with implementing Olin’s Title IX Policy and these procedures. Any person who knowingly interferes with the actions taken to implement the reporting, investigation, or resolution of matters under Olin’s Title IX Policy may be subject to separate and/or additional disciplinary action.

   If a party or witness elects not to participate in cross-examination, the final decision will not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the Hearing Officer may not draw any inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions

3. Recording the Proceeding. The Parties are not permitted to make video, audio, or other electronic, photographic, or digital recordings of any meetings or proceedings held under Olin’s Title IX Policy or these procedures. The Title IX Coordinator may make exceptions to this prohibition in limited circumstances if they conclude, in their sole discretion, that a recording is warranted, and upon written request of the Party seeking the recording that explains the need for the recording.
4. **Follow-up with Reporting Party.** Where the Title IX Coordinator deems appropriate, they may contact the complainant to provide an update on the process, the timing and extent of which will be determined by the Title IX Coordinator and depend upon the nature of the allegations and the situation.

5. **Accommodations for Students with Disabilities.** Reasonable accommodations will be provided to an individual with disabilities in accordance with applicable law. An individual with a disability who requires an accommodation for any meeting or process under Olin’s Title IX Policy must request an accommodation through the Title IX Coordinator. The Title IX Coordinator, in possible consultation with the Assistant Dean of Student Affairs (student accommodations) or Human Resources (employee accommodations), will make a determination regarding the request and notify the appropriate parities.

6. **Amnesty for Student Reporting Sexual Misconduct.** Olin encourages reporting under Olin’s Title IX Policy and seeks to remove barriers to reporting. Students may be hesitant to report sexual harassment out of a concern that they, or witnesses, might be charged with violations of Olin’s policy prohibiting the use of drugs or alcohol. While Olin does not condone such behavior, Olin places a priority on the need to address sexual harassment. Olin, generally, will not hold a student who in good faith reports or is a witness during an investigation responsible under Olin’s Title IX Policy. Under limited circumstances, a person who reports conduct under the Title IX Policy may be held accountable for their own misconduct if it is determined that 1) the behavior placed the health and safety of any person at risk or 2) if the behavior created a danger to the Olin community. Olin retains the right to require students to attend counseling or drug/alcohol related courses even in circumstances in which disciplinary conduct will not be pursued under Olin’s Title IX Policy.

7. **Record Retention.** Title IX related files are maintained separately from any other academic, employment or official file at Olin by the Title IX Coordinator. Generally, records will be retained for seven (7) years after the date of an incident unless 1) Olin is mandated to maintain the record in compliance with federal, state, or local law or Olin policy and/or 2) the case resulted in an expulsion, termination or rescission of acceptance, in which case the individuals entire Title IX file will be retained indefinitely.

8. **Title IX Training.** Specialized training in understanding victim responses, trauma, and the dynamics of sexual harassment are a high priority and are scheduled for all College personnel involved in the Title IX process, including but not limited to the Title IX Coordinator, Investigator(s), Hearing Officers, and Appellate Officers. Training materials include a review of the definition of sexual harassment and the scope of the application of Title IX to College programs and activities, how to conduct the formal and informal process, and how to serve impartially, including avoidance of prejudgment of the facts at issue, conflicts of interest, and bias.

   In addition, Olin has developed primary prevention and awareness programs for all incoming students to prevent sexual harassment. This includes, but is not limited to information on (a) Title IX and a review of the College’s prohibition against sexual harassment, dating violence, sexual assault, domestic violence and stalking, (b) how to file a formal Title IX complaint with the
College, (c) resources available to complainants and respondents, such as counseling, health services and supportive measures, and (d) options for reporting an incident of sexual harassment to campus or local law enforcement. In addition, all incoming students are educated regarding the Massachusetts legal definitions for Dating Violence, Sexual Assault, Domestic Violence, Stalking and Consent. All training materials are published on the College’s website at http://www.olin.edu/academic-life/student-affairs-and-resources/sexual-misconduct-info/.
Campus Security

The Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542) required all colleges to begin to collect certain information commencing September 1, 1991. It also required that the College prepare, publish, and distribute this information to all current students and employees, and to any applicants for enrollment or employment upon request beginning September 1, 1992, and each year thereafter. Title II of Public Law 101-542 mandates the reporting of the following criminal acts occurring at Olin College during the most recent three calendar years as defined in the law. Title II of Public Law 101-542 also mandates the reporting of statistics concerning the number of arrests for the following crimes. This law was also amended to include those not arrested. The College currently has no recognized off-campus student organizations. All student organizations are housed in campus buildings.

Incidents reported to the Public Safety Department as Mandated by Title II of Public Law are defined as:

Crime Definitions from the Uniform Crime Reporting Handbook

Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Criminal Homicide:

Manslaughter by Negligence – The killing of another person through gross negligence.

Murder and Non-negligent Manslaughter – The willful (non-negligent) killing of one human being by another.

Robbery: The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. (It is not necessary that injury result from an aggravated assault when a gun, knife, or other weapon is used which could and probably would result in serious personal injury if the crime were successfully completed.)

Burglary: The unlawful entry of a structure to commit a felony or a theft. For reporting purposes, this definition includes: unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts to commit any of the aforementioned.
