FINANCIAL AID

All approved financial aid will appear as “pending aid” on your student account statement. Student loans will not appear as pending aid on your student account statement until they have been accepted in your financial aid portal. Families must apply for private loans and submit outside scholarship notifications by applicable due dates in order to use in lieu of payment – these items will not show as pending financial aid until reviewed by the financial aid office. **Please pay the net amount due by the due date to avoid a \$150 late payment fee.**
