FALL 2026 Final Events Schedule

Tuesday, December 15 - Friday, December 18, 2026

(subject to change) - updated: 10.20.26

The assigned date/day (and/or time) indicates when your final event/deliverable/experience is due for the FALL 2026 semester. You should not have more than two deadlines per day as designed by the schedule. If you do, please see your faculty to reschedule. If the final event is a synchronous exam, follow the time listed below. Otherwise, the schedule simply indicates the date that the final activity is due (confirm times for these with the relevant faculty).
