

Olin College of Engineering

Highlights, Class of 2019
May 20, 2019

Sally J. Phelps
Director of Post-Graduate Planning

Points of Distinction:

- Olin Alumnus #1000 will cross the stage at this year's commencement.
- 78 seniors will receive diplomas, and they are the 14th class to graduate from Olin. We will now have 1,066 Olin alumni.
- 100% of these graduating seniors have done at least one technical internship or research assignment in their time at Olin.
 - 97% did 2 or more.
- We have 19 seniors graduating as Grand Challenge Scholars.
- Three seniors received the BOW Sustainability Certificate.
- One of our seniors will be doing a 6-month Cortico Fellowship at MIT. Cortico is building the Local Voices Network, a unique physical-digital network designed to bring under-heard community voices, perspectives and stories to the center of a healthier public dialogue.
- Another senior received the DoD SMART Scholarship during her first year at Olin, and she will work for the Air Force as a civilian upon graduation.

Employment:

Again this year, the pursuits of the Class of 2019 illustrate Olin's expanding footprint.

- Top employer for this class is Skydio, which was founded by an Olin Alumnus, with 4 hires.
- 57 graduates have jobs (5 of those are fellowships or internships).
- 9 of those are new employers for the college (noted with * below).
