

Highlights, Class of '20
May 20, 2020

Sally J. Phelps
Director of Post-Graduate Planning

Congratulations to the Class of 2020!

After an unusual and abrupt ending to their time at Olin, 90 seniors will be receiving their Olin diplomas in the mail this week.

Causes for Celebration:

- This is the 15th class to graduate from Olin. We will now have 1,156 alumni.
- 24 Seniors will be recognized by the National Academy of Engineering as Grand Challenge Scholars.
- One senior earned a BOW Sustainability Certificate.
- 100% of these graduating seniors have done at least one technical internship or research assignment in their time at Olin.
 - 91% did 2 or more.

Fellowships and Scholarships

- **Fulbright** – 2 Winners (1 Senior, 1 Alumna)
 - We had one senior Fulbright recipient this year, who will teach English in Taiwan.
 - A 2015 alumna turned down the Fulbright (Netherlands) to remain in her current job in the states.
- **National Science Foundation Graduate Research Fellowships (NSF GRFP)**
 - Three seniors received NSF GRFP grants to pay for their graduate education.
- **SMART Scholarship** - One of our seniors earned this during his first year at Olin, and will be going to work for the Naval Underseas Warfare Center.

Employment

While several grads are still interviewing or making final decisions, the Class of 2020 has done well!

- 47 graduates have jobs, including a few who are contracting or have internships.

Amazon (3)

Epic (3)

Microsoft (3)

Facebook (3)

Shark Ninja (2)

Tesla (2)

Ball Aerospace

Blue Origin

Cambr.io

Citrix

Cognex

Constant Contact

Giner

Ginkgo Bioworks

The Hive @ Claremont Colleges

IBM

Instructables

Kitty Hawk

Lockheed Martin

Machina Lab

MikMak

Natel Energy

Naval Underseas Warfare Center

Neuroscouting

Northrop Grumman

nLight Nutronics

Olin Shop

Procter and Gamble

Raytheon BBN

simplehuman

SpaceX

Systems & Technology Research

Tableau Software

Trace Matters Scientific

TTM Technologies

One will work for a family business in India and another will be a property manager on Martha's Vineyard.

Graduate School

12 members of the Class of '20 will attend graduate school:

Stanford (3)

- PhD in Mechanical Engineering
- PhD in Electrical Engineering
- MS in Electrical and Computer Engineering

Boston University

Carnegie Mellon University

Clemson University

Harvard University

Oregon State University

Northwestern University

University of Michigan

University of Utah

University of Waterloo

MS in Product Design and Manufacturing

PhD in Robotics

PhD in Chemical Engineering

PhD in Applied Sciences, Wyss Institute

PhD in Robotics

PhD Computer Science and Learning Sciences

MS in Mechanical Engineering (Automotive Engineering)

PhD in Mechanical Engineering

MS in Math (Cryptography and Security)

Congratulations to the Olin Class of 2020 – we are extremely proud of you!
