Spring 2019 Final Events and Presentations

Thursday, May 2

AHS Capstone Exhibit

Contact: Gillian Epstein

8-9 PM, Olin Library

Come engage with 9 fantastic AHS Capstone projects and celebrate advanced AHS work at Olin. Pottery, short stories, education research, music composition, digital art, a harp built from scratch--we have it all!

Tuesday, May 7

UOCD Final Poster Session

Contact: Benjamin Linder

8:30 to 9:30 AM, AC First Floor Hallway

Join UOCD students to see their final models and posters representing their remarkable work collaborative designing with Photojournalists, Reproductive Health Professionals, Conservation Committee Members, Community Cultural Interpreters, Religious Leaders, Blacksmiths, Adult English Language Learners, Adaptive Athletes, Roller Derby Athletes, and Small Business Owners. All are invited.

Tuesday, May 7

Software Design Final Project Demonstrations

Contact: Amon Millner

12:30-2 PM, AC326 and AC328

16 teams of Software Design students will have posters and demos of their final project available for your enjoyment on Tuesday May 7th from 12:30PM to 2:00PM in rooms AC326 and AC328. All faculty, staff, and students are welcome to partake in the Expo-style demonstrations at each table.
Spring 2019 Final Events and Presentations

Tuesday, May 7

Mech Proto Sculpture Demo

Contact: Daniela Faas

1-3 PM, AC128

Sculpture presentations and demos. With snacks. All welcome. Come see the incredible sculptures students built using the mill, lathe, 3D printing, laser cutting, CNC plasma cutter, ... and more!

Tuesday, May 7

ADE Social Venture Showcase

Contact: Benjamin Linder

4-5:30 PM, Weissman Foundry at Babson - across street from Olin AC

Come learn about and give feedback to Babson, Olin, and Wellesley students creating lasting social value addressing Air Quality, Child Education, Community Development, Food Processing, and Global Health! Working to have an impact on poverty brings students face to face with pervasive social challenges like civil rights, environmental justice, economic mobility, and structural inequality. Join us in supporting a community of students grappling with these issues. All are invited. RSVP if you can at https://forms.gle/LtJFGCCnMrfQuCdii.

Tuesday, May 7

AstroStats Poster Session

Contact: Carrie Nugent

4:30-5:30 PM, MH Mezzanine

Cosmic rays! Meteors! Machine learning! Remote sensing! Supernovae! Exoplanets! All will be revealed and explained at the AstroStats final poster session. There will be snacks. A technical background is not needed to enjoy and understand.
Spring 2019 Final Events and Presentations

Wednesday, May 8

Final Presentations for Products & Markets

Contact: Joanne Pratt

8:30-11 AM, Norden Auditorium

23 teams of students have spent the past five weeks seeking product-market fit, developing and refining value propositions through entrepreneurial experiments. Come see and hear their results! The format is a 3-minute pitch, followed by feedback from a panel of outside judges. All are welcome.

Wednesday, May 8

Presentations of Final Projects for Impossible Maps Group Study

Contact: Mimi Onuoha

10:45 AM, Isabella Stewart Gardner Museum

The students in the Impossible Maps group independent study will be presenting the artworks that they have been working on for the majority of the semester. These works center around the themes of space and geography and are in conversation with the work of three community groups in Boston. If you can't make the time, you may still be able to catch the work at the museum over the next few months! Reach out to Mimi (conuoha@olin.edu) for more information.

Wednesday, May 8

Final Presentations for the Intersection of Biology, Art and Technology IBAT Course

Contact: Helen Donis-Keller

12-3 PM, AC313

There will be 12 different projects presented that include computer/video animations, sculptures, SEM photomicrographs, Damascus steel technology, textile printing, underwater bay mapping, climate change documentation, and a visual book.
Spring 2019 Final Events and Presentations

Wednesday, May 8

Final Presentations for the Engineering for Humanity Course

Contacts: Caitrin Lynch and Ela Ben-Ur

12:30-2:30 PM, Norden Auditorium

Please come to see the final presentations and demos for the student projects: they worked all semester with local older adult community partners and they want to share their work.

Wednesday, May 8

Magnetic Levitation Demos for Feedback Controls

Contact: Patrick Barragán

4-7 PM, AC304

The students in feedback controls will be presenting on their magnetic levitators including demos! Anyone interested in controls or magnetic levitation or the fruits of Olin's latest controls class is welcome.

Thursday, May 9

Screenings for Video Communication Class

Contact: Kelsey Houston-Edwards

1-2:30 PM, MH373

The students have been making short videos about scientific or technical topics, which we'll be screening. Everyone is invited to join. There will be popcorn!
Spring 2019 Final Events and Presentations

Thursday, May 9

Change the World Showcase and GCSP Soiree

Contacts: Alison Wood and Rob Martello

4-7 PM, The Crescent Rooms

Students in Change the World and our additional spring 2019 Grand Challenges Scholars will showcase portions of their Personal Vision and Mission projects. Please join us to celebrate the work our students have done and share our discovery of how they're building on past experiences to define their values and make plans for the future; how they're answering the questions "who am I and what is my place in the world?"

Friday, May 10

Final Expo for Technology, Accessibility, and Design

Contact: Paul Ruvolo

5-7 PM, AC309

Students will be presenting their final projects. Student teams have been working for the better part of the semester with a community partner who is either blind or visually impaired or works with people who are blind or visually impaired to improve accessibility (broadly-defined). The format of the session will be rocket talks followed by an interactive demo/poster session.

Monday, May 13

Olin Expo

Presentations: 10 AM-12 PM, AC 1st Floor Hallway and Tent in Oval
Story Slam: 1-2:15, Norden Auditorium
OCO: 2:30-3:15 PM, MH Mezzanine

Tuesday, May 14

SCOPE Summit

10 AM-3 PM, Norden Auditorium and Tent in Oval
