

Gilda A. Barabino is President of Olin College of Engineering, and Professor of Biomedical and Chemical Engineering. She previously served as Daniel and Frances Berg Professor and Dean at The City College of New York's (CCNY) Grove School of Engineering. Prior to joining CCNY, she was Associate Chair for Graduate Studies and Professor in the Wallace H. Coulter Department of Biomedical Engineering at Georgia Tech and Emory. At Georgia Tech she also served as the inaugural Vice Provost for Academic Diversity. Prior to Georgia Tech and Emory, she rose to the rank of Professor of Chemical Engineering and was Vice Provost for Undergraduate Education at Northeastern University. She is a noted investigator in the areas of sickle cell disease, cellular and tissue engineering, and the role of race/ethnicity and gender in science and engineering.

Dr. Barabino is president-elect of the [American Association for the Advancement of Science](#), the world's largest interdisciplinary scientific society. She is also an active member of the [National Academy of Engineering](#) and the [National Academy of Medicine](#) and serves on numerous committees of the National Academies of Science, Engineering and Medicine, including the [Roundtable on Black Men and Black Women in Science, Engineering and Medicine](#); the Health and Medicine Division Committee; and the [Committee on Women in Science Engineering and Medicine](#) which she chairs. Dr. Barabino also serves as a member of the National Institutes of Health's National Advisory Council for Biomedical Imaging and Bioengineering; [National Science Foundation's Advisory Committee for Engineering](#); the congressionally mandated [Committee on Equal Opportunities in Science and Engineering](#); and the [American Association for the Advancement of Science Committee on Science, Engineering and Public Policy](#). Dr. Barabino also serves on the [Scientific Advisory Board of the Chan Zuckerberg Biohub](#). She consults nationally and internationally on STEM education and research, diversity in higher education, policy, faculty and workforce development.

She received a B.S. from Xavier University of Louisiana and a Ph.D. from Rice University.
