

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

| Department/Course | Institution | Course Number/Dept Code | Course Title or Departmental Name                              | Coloring at Olin for Distribution Credit | meets minimum 12 cr for AHS only | Special Notes |

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

| Department/Course | Institution | Course Number/Dept Code | Course Title or Departmental Name        | Coloring at Olin for Distribution Credit | meets minimum 12 cr for AHS only | Special Notes  |

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

| Department/Course | Institution | Course Number/Dept Code | Course Title or Departmental Name                    | Coloring at Olin for Distribution Credit | meets minimum 12 cr for AHS only | Special Notes |

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

| Department/Course | Institution | Course Number/Dept Code | Course Title or Departmental Name                                  | Coloring at Olin for Distribution Credit | meets minimum 12 cr for AHS only | Special Notes                 |

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

| Department/Course | Institution | Course Number/Dept Code | Course Title or Departmental Name                                    | Coloring at Olin for Distribution Credit | meets minimum 12 cr for AHS only | Special Notes |

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

| Department/Course | Institution | Course Number/Dept Code | Course Title or Departmental Name                                    | Coloring at Olin for Distribution Credit | meets minimum 12 cr for AHS only | Special Notes |

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

| Department/Course | Institution | Course Number/Dept Code | Course Title or Departmental Name            | Coloring at Olin for Distribution Credit | meets minimum 12 cr for AHS only | Special Notes |

**COURSE SUBSTITUTION APPROVED DEPARTMENTAL AND INDIVIDUAL COURSE LISTING: BABSON, BRANDEIS AND WELLESLEY**

In order to guarantee the acceptance of substitution credit, students at Olin College must receive approval from the Course Substitution and Transfer Board (CSTB). The CSTB will ask appropriate faculty to review the course materials before granting approval. Course or credit substitution is defined as using a BBW\* course or a different Olin course to meet a course or credit requirement. Approved substitutions will be recorded on the Olin degree audit and retained in the student academic file. Notes: GDCO = general degree credit only, cannot be used for Math, Science, Engineering or AHSE distribution credit.

Coloring at Olin is relevant only for credit distribution totals. Acceptance for use in a MAJOR, AHS/ENTRP concentrations is **NOT** represented below. Requests for such are part of planning your major in semester 3, 5, and/or 7 at 'declarathons' or 'reality checks'. Utilize the 'rule book', aka Olin College Catalog, for information about what constitutes a major, AHS concentration or Entrp concentration.

Note about AHS, Business & Entrepreneurship Courses / AHSE credit: all AHSE courses satisfy the 28 AHSE credit distribution, but only those courses flagged Yes in 'meets min 12 for AHS only' count toward the min 12 AHS only requirement.

| Department/Course | Institution | Course Number/Dept Code | Course Title or Departmental Name               | Coloring at Olin for Distribution Credit | meets minimum 12 cr for AHS only | Special Notes  |
